WORK EXPERIENCE

MUNICIPAL DEPARTMENT OF INNOVATION, SCIENCE, AND TECHNOLOGY

Special Technical Assistant Out 2021 – Jan 2022
Goiania, GO, Brazil

- Implemented rigorous quality control measures that improved the accuracy of technical documentation, enhancing the reliability of critical processes.
- Led collaborative efforts between technical and non-technical teams, leading to an increase in efficiency and a reduction in errors.
- Delivered technical training programs for staff, resulting in an improvement in their technical competencies and productivity.

STATE LEGISLATIVE ASSEMBLY OF GOIAS

Assessor (Analyst), Assistant Advice of System Development Feb 2012 - Jan 2021
Goiania, GO, Brazil

- Trained staff to efficiently navigate in-house systems and provided expert user support, resulting in a decrease in user-reported system issues.
- Analyzed user data to identify critical trends, leading to the implementation of targeted improvements that enhanced house operations.
- Created user-friendly dashboards and reports that received praise for their clarity and effectiveness, facilitating quicker decision-making.
- Utilized data-driven analysis to optimize the organizational structure, resulting in a redundancy reduction and improved departmental collaboration.
- Facilitated access to vital documents and information and maintained meticulous records of house session minutes.

MERCER UNIVERSITY

Student Worker, Monroe F. Swilley Library Nov 2022 – Dec 2023
Atlanta, GA, United States of America

- Technical support: routine printer maintenance tasks and certify that computers and software are performing well.
- Training: offered training, workshops, and technological guidance on the library's software.
- Customer service: assisted with library tasks, including book searches, and maintained a responsive approach to addressing inquiries and concerns.

FEDERAL UNIVERSITY OF GOIAS – BRAZIL

Assistant (Department of Material and Heritage) 2009 - 2012
Goiania, GO, Brazil

- Led the development of dynamic tables to optimize electronic auctions, enhancing bidding processes and reducing procurement costs.
- Conducted extensive market research and recommendations, enabling the university to make data-driven decisions and negotiate favorable contracts with suppliers, resulting in annual savings.

OTHER ACTIVITIES

LIBERTY AND JUSTICE INSTITUTE

Financial Director, Liberty, and Justice Institute Feb 2019 – Feb 2021
Goiania, GO, Brazil

- Worked as the CFO of the institution. Did finance and accounting and worked as a financial planning analyst. Entered in contact with some of our customers. Also helped in the recruiting and hiring process of the institute. Any other ad hoc necessities of the institute.

BETA 2 JUNIOR COMPANY
