PROFILE

Results-driven **Power BI Data Analyst** with expertise in building **interactive dashboards, DAX calculations, and data modeling**. Skilled in transforming raw business data into actionable insights using **Power BI, SQL, Python, and Excel**. Experienced in data cleaning, ETL processes, and performance optimization to support data-driven decision-making.

EDUCATION

Bachelor's degree in software engineering

09/2020 – 09/2024

Faculty of information technology and computer science, Mansoura university

Good

PROFESSIONAL EXPERIENCE

Innovate Program – USAM

08/2025 – 09/2025

Intern– Data Analyst

- Completed a data analysis project as part of an innovation challenge.
 - Collected and analyzed data to identify key insights for product development.
 - Presented findings using [e.g., Excel / Python / Power BI] to support team decisions.
- Worked in a multidisciplinary team to develop and pitch a final solution.

Data Analyst

12/2024 – 02/2025

Elmohandes Company For Food Products

Mansoura, Egy

- detail-oriented Junior Data Analyst with experience in data cleaning, reporting, and identifying key insights to improve business decisions. Skilled in SQL, Excel, and Python, with a strong focus on efficiency and accuracy. Prepared weekly reports, improving data visibility for decision-making.
- Cleaned and processed datasets.
- Identified data weaknesses, leading to improved data accuracy.

COURSES

Data Analyst in Power BI

04/2026 – 06/2026

Data Camp

- Build interactive dashboards
- Write DAX measures
- Use Power Query for ETL
- Create data models
- Design KPIs and reports

Data Analysis

12/2024 – 02/2025

National Telecommunication Institute (NTI)

Mansoura, Egy

Completed a **Data Analysis course** covering **Excel, Power BI, SQL, Python, and Tableau**, developing strong skills in **data cleaning, transformation, visualization, and reporting** to support business insights and decision-making.

IBM Data analyst

09/2024 – 11/2024

Completed a Data Analysis course in Excel, Power BI, SQL, Python, and Cognos, gaining expertise in data processing, visualization, and reporting to drive informed decision-making.

Business Analysis

06/2024 – 10/2024

Mansoura University

Completed a **Business Analysis course**, developing skills in **process improvement, requirements gathering, data-driven decision-making, and stakeholder communication** to bridge business needs with effective solutions.

Python Machine Learning Data Science (AI)

06/2024 – 10/2024

Mansoura University

Completed a **Data Science course** covering **Python, SQL, Machine Learning, and Data Visualization**, gaining skills in **data preprocessing, statistical analysis, predictive modeling, and AI-driven insights** to solve real-world problems.

Artificial Intelligence and Application Training

06/2023 – 10/2023

Zewail city

Data Analysis

06/2022 – 10/2022

Mansoura University

Completed a **Data Analysis course** focused on **Excel, Power BI, and SQL**, gaining skills in **data cleaning, visualization, and reporting** to support decision-making.

SKILLS

Machine Learning algorithms and models.

scikit-learn, Pandas, NumPy.

Programming Languages.

Python, SQL

Data Exploration, Preparation, Preprocessing and Visualization.

Python, Pandas, Matplotlib, Seaborn, Tableau, Excel, PowerBI, Cognos.

Soft Skills

Time Management, Problem-Solving, Critical Thinking, Curiosity, Analytical Mindset, Data Storytelling, Decision-Making

PROJECTS

Tranquillo - Integrated Approach to Depression Management

Graduation Project (A+)

Mobile application to classify and detect depression levels using machine learning.

Customer Churn Power BI project

- Data modeling
- DAX measures
- Interactive dashboards
- Bookmarks/navigation
- Business insights and storytelling
