

# CC Gilbertson, BSc, ACRP-CP

(540) 724 – 6786 ♦ Maryland ♦ <https://www.linkedin.com/in/cc-gilbertson> ♦ gilbertsonclair@gmail.com

## Professional Summary

Certified Clinical Research Professional with **10 years** of progressive experience across **CRO and sponsor** environments, leading **Phase I–IV clinical trials** from start-up through closeout. Proven ability to deliver complex, multi-site studies on time and within budget, manage cross-functional teams, and **drive operational excellence** while maintaining regulatory compliance and patient safety. Therapeutic expertise includes Oncology, Cellular & Gene Therapy, Infectious Diseases, Cardiovascular, and Endocrinology.

## Core Trial Management Skills

End-to-End Study Management | Clinical Operations Leadership | Study Start-Up, Execution & Close-Out | Timeline & Milestone Delivery | Budget & Financial Oversight (\$2M–\$9M) | Cross-Functional Team Leadership | Risk-Based Monitoring Oversight | Vendor Oversight | Regulatory Compliance | Stakeholder & Sponsor Communication

## Study Experience

- Phases I, II, III and IV
- Designs: Randomized Clinical Trials, Adaptive Protocols
- Lifecycle: Start-Up, Enrollment, Randomization, Conduct, Close-Out
- Therapeutic Areas: Oncology, Cell Therapy, Infectious Diseases, Cardiovascular, Endocrinology, Vaccines

## Professional Experience

**NMDP/CIBMTR**, Baltimore, Maryland (home-based)

**April 2024 – Present**

**Senior Clinical Research Associate (Sponsor-side)** | April 2024 - Present

- Provide sponsor oversight for **42 sites across two Phase II oncology trials** in hematologic malignancies focused on GvHD prophylaxis and relapse-free survival
- Execute and oversee **risk-based monitoring strategy**, conducting 60+ remote and on-site visits including SQV, SIV, IMV, COV
- Partner with clinical operations leadership to identify risks, **drive mitigation strategies**, and ensure inspection readiness
- Implement enhanced monitoring trackers using **Asana**, improving visibility of site performance and issue resolution
- Train and mentor junior CRAs, including **performance assessments** during accompanied visits, supporting team readiness and consistency

**Study Lead Alignment:** Sponsor oversight, risk management, CRA performance management, operational visibility

**CVS Health**, Baltimore, Maryland (home-based)

**July 2022 - August 2023**

**Clinical Research Project Manager** | July 2022 - August 2023

- Achieved First Patient In (FPI) within 6 weeks, **outperforming the industry average of 12 weeks**
- Led clinical operations for **5 Phase I–IV trials** across **Infectious Diseases, Cardiology, Vaccines and Endocrinology**
- Managed **\$2M–\$9M study budgets**, ensuring financial and operational objectives were met
- Delivered critical study milestones (FPI, enrollment targets, database lock) on time and within scope
- Directed **4 cross-functional teams** (Clinical Ops, Data Management, Regulatory, Vendors) to meet regulatory and operational timelines
- Led internal governance meetings, external sponsor meetings, and **3 study kick-off meetings**
- Oversaw study execution from start-up through **3 successful study close-outs**

**Study Lead Alignment:** End-to-end study leadership, milestone delivery, budgets, cross-functional management

# CC Gilbertson, BSc, ACRP-CP

**PPD/Thermo Fisher, Baltimore, Maryland (home-based)**

**June 2016 – June 2022**

**Senior Remote CRA II** | April 2022 – June 2022

- Monitored **80+ sites across six Phase I–III Oncology, Mental Health and Infectious Diseases trials**, conducting **over 200** remote and on-site risk-based monitoring visits
- Ensured **98% site compliance** through proactive issue identification and resolution
- Coached and mentored **16 Remote CRAs**, supporting performance development and study readiness
- Developed and implemented a **Mentor Training Program** for 300+ mentors, closing organizational gaps

**Senior Remote CRA I** | March 2021 – April 2022

- Served as **backup Clinical Trial Manager**, reviewing CRA metrics and supporting study oversight

**Remote CRA II / I** | March 2020 – March 2021 / June 2016 – January 2018

- Conducted high-volume remote monitoring to ensure patient safety, data integrity, and protocol compliance
- Delivered internal training to **1,500+ CRAs**, standardizing monitoring practices and expectations

**Study Lead Alignment:** CRA oversight, metrics review, leadership coverage, training, mentorship and operational quality

**PPD/Thermo Fisher, Richmond, VA**

**October 2013 – June 2016**

**Scientist / Assistant Scientist** | October 2013 – June 2016

- Conducted in-vitro vaccine efficacy analyses (OPA, SBA) in compliance with **GxP, ALCOA-C, and data integrity standards**

## Software

Asana | Microsoft Office 365 | Smartsheet | CRIO | Veeva Vault | Medidata RAVE | Vestigo | EPIC EMR  
Looker Dashboard | Florence | Signant Health | Complion | OnCore | Box | TMF | CTMS | CDMS | RTSM | IRT/IVRS

## Awards and Certifications

**ACRP-CP (Certified Clinical Research Professional)**

**October 2025**

- Validates broad competency in ethical, compliant conduct and management of clinical trials

**CITI ICH GCP**

**August 2024**

- Certifies ICH Good Clinical Practice (GCP) for Clinical Trials Investigational Drugs and Biologics

**PPD SPOT Award**

**February 2022**

- Recognized for significant contributions to the RSM Peer Mentor Program and training all Mentors

**PPD CEO Defining Principles Award**

**January 2021**

- Recognized by PPD/Thermo Fisher CEO, David Simmons, for exceptional performance on clinical trial

## Education

**Virginia Commonwealth University, Richmond, Virginia**

**May 2013**

**Bachelor of Science** | Graduated *cum laude*

# CC Gilbertson, BSc, ACRP-CP

The Association of Clinical Research Professionals (ACRP)  
and the Academy of Clinical Research Professionals

proudly award the ACRP-Certified Professional™ Certification to

**Clair Gilbertson**

for having satisfied the standards of ethical and responsible clinical research, demonstrating proficiency through a comprehensive examination, and committing to ongoing professional development in the practice of clinical research.

ROBERT O'CONNOR, CCRA, ACRP-CP, FACRP  
Academy Board of Trustees Chair

CERTIFICATION AWARDED: Oct 15, 2025  
CERTIFICATION EXPIRES: Nov 30, 2027
