---

## RELEVANT EXPERIENCE

### CVS Health

**Charlotte, NC (Remote)**

*Clinical Service Representative*

*February 2025-Present*

- Handled high volume of inbound calls from members and providers, delivering professional phone assistance through the prior authorization process
- Documented all requests accurately and in a timely manner, escalating clinical concerns to appropriate nursing or pharmacy staff
- Performed outbound calls, responded to inquiries in shared mailboxes, and supported leadership with various administrative tasks
- Ensured compliance with company, state, and federal requirements during processing
- Demonstrated excellent attention to detail, time management, and multitasking in a fast-paced, high-pressure environment
- Utilized strong interpersonal, written, and verbal communication skills to maintain confidentiality and ensure quality service
- Applied understanding of pharmacy and medical terminology when interpreting requests
- Actively contributed to continuous improvements in quality, productivity, and team performance

### Spartanburg Regional Healthcare System

**Spartanburg, SC**

*Patient Access Representative*

*July 2022-October 2024*

- Accurately completed 40+ quality registrations in the EPIC system
- Obtain insurance eligibility and benefit information from payors
- Verify and review insurance benefits and financial clearance for all payors at each encounter
- Research and resolve all registration occurrences for demographic, clinical and insurance accuracy
- Review and ensure that all medical orders are compliant and meet government and hospital guidelines as well as clinical protocols
