Summary

Results-oriented individual with a demonstrated history of success in roles requiring strong communication, problem-solving, and organizational skills. Adept at implementing behavioral interventions, driving sales, and managing property operations while ensuring customer satisfaction and regulatory compliance. Actively leveraging my analytical mindset-honed during my studies in Medical Radiography-to drive my transition into data analytics

Relevant Experience

Behavior Interventionist

2024 - present

Diversify BX, Moreno Valley & Riverside, CA

- Implemented ABA programs, improving communication and social skills in children with ASD (25% average goal attainment increase).
- Conducted FBAs & developed BIPs, reducing problem behaviors by 30%.
- Collaborated with teams (BCBAs, parents, educators) to ensure consistent interventions and promote skill generalization.

Property Manager

2016 - 2023

Muñoz Rentals, Beaumont, CA

- Oversaw property operations: tenant relations, lease management, and rent collection.
- Managed property maintenance and ensured regulatory compliance.
- Handled financial operations and provided owner reporting.

Retail Sales Consultant

2011 - 2014

Sprint, Cathedral City, CA

- Consistently exceeded monthly sales quotas in a commission-based role by effectively guiding customers through purchasing, activation, and education on company products, services, and new lines.
- Delivered exceptional customer service, utilizing "Ready Now" and helpful hints to enhance the customer experience and drive product and service sales.

Education

Medical Radiography

Loma Linda University, Loma Linda, CA

Associate of Science degree in Health Science

Crafton Hills College, Yucaipa, CA
