

IFEANYI EZEWI

Data & Operations Analyst | Cost Optimization | Contract Performance

ifeanyiezewi@gmail.com | 08138106061

9A Ilesanmi Street, Arowojobe Estate, Mende, Maryland, Lagos

LinkedIn: <https://www.linkedin.com/in/ezewi-ifeanyi-96984b231>

### Professional Summary

Analytical and detail-oriented Data & Operations Analyst with hands-on experience in financial control, cost optimization, and stakeholder reporting. Proven ability to manage end-to-end processes, execute contract compliance monitoring, and conduct in-depth variance analysis. Adept at using Power BI, Excel, and SQL to drive actionable insights, streamline operations, and enhance stakeholder engagement. Demonstrated competence in managing customer interactions, supporting multiple projects, and performing value stream mapping to identify process inefficiencies. Currently seeking to contribute to an aviation or engineering-focused organization by applying a rigorous approach to cost control and contract execution.

### Key Skills & Tools

- Cost Control & Variance Analysis
- Contract Performance Monitoring
