Professional Summary

Recent Finance graduate from the University of Colorado Denver with over 15 years of experience in fast paced, customer focused environments. Proficient in financial modeling, forecasting, and data analysis using Excel, Python, Tableau, and Salesforce. Known for strong interpersonal skills, analytical thinking, and a collaborative mindset. Eager to contribute to a growing organization in an entry to mid-level Financial Analyst role.

Experience

Supervisor/Trainer/Bartender

Paradies Lagardère, Denver, CO

2022 – 2025

- Managed high volume operations, serving 300+ customers daily and consistently generating \$5,000+ in daily sales.
- Trained and supervised new team members on customer service protocols, sales strategies, and use of POS systems.
- Analyzed sales trends to optimize upselling opportunities and streamline shift scheduling.
- Maintained inventory and ensured adherence to health and safety regulations.
- Leveraged Toast POS analytics to identify peak sales periods and improve service efficiency.

Clinical Laboratory Associate

Keck Medicine of USC – Student Health Center, Los Angeles, CA

2011 – 2019

- Maintained compliance with regulatory requirements and supported audits and inspections.
- Trained new employees and developed onboarding materials to ensure smooth integration.
- Managed inventory levels and vendor relationships, enhancing operational efficiency.
- Coordinated international outreach efforts affecting over 2,000 students annually.
- Prepared staff schedules and tracked data to support laboratory reporting processes.
