Professional Experience

Catalent Pharma Solutions — Project Coordinator / Associate Project Manager

Philadelphia, PA | November 2022 – Present

- Leads cross-functional project coordination and sourcing operations for major pharmaceutical clients, supporting over \$100M in managed revenue.
- Executes end-to-end sourcing activities, including coordinating with suppliers, tracking inventory, and ensuring timely delivery of materials in alignment with contract terms.
- Uses Power BI and Excel to forecast revenue and manage site-level supply chain needs aligned with sales and operations planning.
- Collaborates with internal stakeholders to maintain supplier compliance, update contract documentation, and manage procurement documentation for strategic sourcing.
- Track and report KPIs on sourcing effectiveness, delivery timelines, and inventory health using JD Edwards, SharePoint and PowerBI.

Apple Inc — Product Zone Expert / Product Zone Specialist

King of Prussia & Ardmore, PA | May 2019 – Present

- Modeled exceptional behaviors across the store, mentoring staff in advanced product knowledge and purchasing options.
- Provided curated sales support to business and education customers, with a focus on complete tech integration solutions.
- Awarded Store's Peak Champion (Holiday 2020) for exceptional performance.
- Maintained expertise in Apple and third-party products; supported internal employee training.
- Supported strategic sales initiatives and team growth through collaborative innovation.

The Vanguard Group — Client Relationship Specialist

Malvern, PA | August 2018 – February 2019

- Guided clients in asset management and financial goal planning via virtual consultation.
- Developed personalized investment strategies in collaboration with team specialists.
- Delivered high-quality service to ensure client retention and satisfaction.
