Korey Williams

Enrollment Advisor @ University of Phoenix | Reflective Decision Maker, Strategic Problem Solver
Arlington, Texas, United States

Summary

As an Enrollment Advisor at the University of Phoenix, my mission is to facilitate the educational journey of prospective students through detailed counsel and strategic guidance. Our team ensures a seamless transition for students by providing information on program offerings, transferability of credits, and cost of attendance, always with an unwavering commitment to the University's policies and practices.

Bringing to the table my certification as a Reflective Decision Maker, I emphasize a personalized approach to advising, marrying attention to detail with assortment strategies to tailor education pathways. Together with my colleagues, we strive for excellence in schedule adherence and availability, enhancing the University's reputation for student-centric service and support.

Experience

University of Phoenix

Enrollment Advisor

March 2024 - Present (1 year 4 months)

making or receiving telephone calls and/or other

communication channels to interact with a high volume of potential students to discover the educational interests

of prospective students, search applicable database(s) and other resources to provide information to help them

make an informed decision on program offerings and University fit.

- Advise potential and/or current students regarding enrollment, transferability, and applicability of previous college

credits earned, degree program options, degree program requirements, cost of attendance, and provide

information on University policies, practices, and rules.

- Consistently strive to complete daily tasks, demonstrate schedule adherence, and required availability, all while adhering to and maintaining compliance with applicable University policies and procedures, and applicable federal and state regulations.
- Proactively identify potential obstacles to a student's ability to pursue their educational goals and effectively address those potential obstacles in an effort to assist the student in resolving those issues and to ensure a positive student experience.
- Follow up and coordinate with financial aid, transcript and admissions, as well as other necessary departments, to provide accurate, comprehensive and timely information to
