

KURRA SANDHYA

+91 8008097098 kurrasandhya5@gmail.com

Professional Summary:

Aspiring Data Analytics with strong skills in SQL,Python, Excel, Power BI, and Tableau. Proficient in cleaning, analyzing, and visualizing data to generate actionable insights and support data-driven decision-making. Eager to apply analytical skills in dynamic, fast-paced environments.

Technical Skills:

- **Programming :** Python(Basics)
- **Database:** SQL Server , Database Management
- **Tools & Bi:** Power BI, Workspace, snowflake,RLS(Row Level Security),DAX Functions,ETL
- **Data Handling:** Data Modeling ,Data Gathering , Data Cleaning
- **Office Tools :** Microsoft Word, MS Excel(Pivot Tables,VLOOKUP,Charts), PowerPoint

Projects Experience:

Title: Exploratory Data Analysis of Titanic Survival Prediction using Machine Learning

Description :

Developed a machine learning model capable of predicting the survival probability of Titanic passengers based on reality available demographic Data like age,gender,passenger class, and ticket fare,utilizing these insights to identify key factors influencing survival rates of the Titanic disaster.

Responsibilities:

- Collected and cleaned dataset for missing and inconsistent values.
- Performed exploratory data analysis (EDA) to identify Survival Patterns.
- Built a predictive model using Python(Pandas,Scikit-learn,Matplotlib) to predict survival probability.
- Provided insights on how age,gender,class and fare influenced survival outcomes.

Tools:

- Programming Language: Python
- Libraries & Frameworks: Scikit-learn, Pandas,Matplotlib
- Tools & Platforms: jupyter Notebook
- Techniques / Algorithms: Machine Learning (KNN & Logistic Regression)

Education:

B.Tech(Computer Science and Engineering)

Indur Institute of Engineering And Technology | CGPA:7.22| (2021-2025)

Intermediate(M.P.C)

SR Junior College | per: 94%| (2019-2021)

SSC

Z.P.G.H.S Dubbak |CGPA:9.0 | (2018-2019)

Achievements:

- Presented project work at college and received positive feedback for innovation.
- Attended the workshop on Data science using python conducted by BRAIN O VISION and received participation certificate.
- Attended a Cybersecurity-Ethical Hacking Workshop conducted by TEKNTEKIA .

Strengths:

- Strong analytical and problem-solving skills
- Data-driven decision-making
- Proficiency in data cleaning, Visualization, and reporting
- Excellent communication and presentation abilities
- Quick learner and adaptable to new tools

Personal Profile:

- Name: Kurra Sandhya
- Father's Name: Kurra Mallesham
- Date of Birth: 28-05-2004
- Gender: Female
- Nationality: Indian
- Languages Known: Telugu,English
