RELEVANT PROJECTS

Business Analysis Project for Alta Vida | Bolivia

February 2025 – Present

- Analyzed a development project for Alta Vida by assessing financial feasibility, operational planning, and strategic alignment to ensure successful execution.
- Delivered a comprehensive report and presentation that led to the successful implementation of the project, receiving strong feedback for its clarity and practical value.

Interview with General Manager of Chick-fil-a | Las Vegas, Nevada

October 2022

- Conducted an in-depth interview with the General Manager of Chick-fil-a, focusing on the operational strategies and customer service practices in the food industry.
- Compiled findings into a detailed report and presented the paper to the class, receiving positive feedback for thorough research and practical suggestions.

PROFESSIONAL EXPERIENCE

Property Management. FP Properties | Las Vegas, Nevada

March 2022 – Present

- Managed the upkeep of the property by coordinating and contracting maintenance services. Supervised repairs and ensured all work met quality standards to maintain a safe and well-functioning building.
- Responsible for collecting monthly rent payments, fees, and security deposits. Ensured all financial transactions were processed accurately and on time, maintaining up-to-date records.
- Successfully secured property rentals by advertising available units across multiple platforms. Handled the leasing process from showing units to signing agreements, ensuring a smooth and efficient rental experience for both tenants and property owners.

Financial Analyst. Las Vegas Home Health LLC | Las Vegas, Nevada

September 2024 – May 2025

- Analyzed and processed complex financial data related to health care services including Medicare and Medicaid reimbursements, meticulously ensuring compliance with all evolving regulatory guidelines and optimizing revenue recognition.
- Managed the end-to-end billing and claims submission process for Medicare and Medicaid services, proactively identifying and resolving discrepancies to optimize revenue cycles and significantly minimize claim denials. This included supervising the accounting of all transactions.
- Conducted comprehensive financial forecasting and reporting specifically for government-funded healthcare programs (Medicare and Medicaid), providing critical insights for strategic decision-making and contributing to the overall accounting accuracy and financial health of the organization.

Project Analyst. Monarca Group | Bolivia

December 2023 – August 2024

- Performed detailed feasibility studies, including comprehensive financial analysis, to assess the viability of new residential projects by evaluating development costs, crafting accurate revenue projections, and analyzing various financing options to inform strategic investment decisions.
- Conducted in-depth analysis of project performance metrics, identifying potential risks and inefficiencies, and recommended actionable solutions that improved workflow and minimized delays.
- Developed and maintained comprehensive weekly reports and visual dashboards using Excel and PowerPoint, enhancing visibility for senior leadership and improving cross-departmental communication.
- Managed the company's social media presence and supported marketing efforts by creating promotional content and tracking engagement metrics to boost brand visibility and client interest.
