Professional Summary

Results-driven and detail-oriented public sector professional with a strong foundation in grants administration, emergency management, and business continuity planning. Proven ability to manage complex, multi-stakeholder programs with a focus on regulatory compliance, risk mitigation, and cross-functional collaboration. Adept in data-driven decision-making, fiscal oversight, and strategic planning in fast-paced, high-impact environments.

Core Competencies

- Program & Project Management
- Federal & State Grant Compliance
- Emergency Preparedness & Continuity Planning
- Budgeting & Financial Reporting
- Risk Assessment & Mitigation
- Stakeholder Engagement
- Data Analysis & Performance Metrics

Professional Experience

Grants & Projects Analyst – HSGP & SLCGP Program Lead – Nevada Division of Emergency Management

Carson City, NV | Jan 2025 – Present

- Spearhead the development and lifecycle management of federally funded grant programs, ensuring alignment with Homeland Security Grant Program (HSGP) and State and Local Cybersecurity Grant Program (SLCGP) requirements.
- Perform risk-based monitoring and compliance reviews, providing technical assistance to subgrantees to drive program success and alignment with federal guidelines.
- Manage grant reporting workflows, budget tracking, and program deliverables using performance metrics to inform strategic planning.
- Lead cross-functional coordination between state agencies and stakeholders, ensuring transparent communication and timely execution.

Management Analyst II – ManPower of Northern Nevada (Contracted to Nevada Dept. of Education)

Carson City, NV | May 2023 – Dec 2024

- Conducted fiscal oversight and compliance auditing for sub-grantees managing state and federal funds, enhancing transparency and accountability.
- Leveraged advanced Excel and data analysis techniques to streamline reconciliation and reporting of complex financial data sets.
- Interpreted evolving federal and state regulations, translating them into actionable policy and guidance for internal departments and partners.

Business Continuity Officer – Cathay Bank

Los Angeles, CA | Jan 2022 – Jan 2023

- Designed and implemented institution-wide business continuity and disaster recovery frameworks to ensure operational resilience.
- Collaborated with executive leadership to facilitate quarterly crisis management drills and develop comprehensive contingency scenarios.
- Maintained up-to-date continuity plans and coordinated incident response protocols, significantly reducing response time to unplanned events.

Logistics Associate & Acting Regional Manager – LA County – CORE (Community Organized Relief Effort)

Los Angeles, CA | Jan 2021 – Jan 2022

- Established logistics and fleet management systems to optimize asset tracking and deployment across LA County.
- Served as interim Logistics Manager during regional expansions, overseeing staff, coordinating with HAZMAT-certified vendors, and managing high-stakes deadlines under pressure.

Education

St. John's University – College of Professional Studies

Bachelor of Science in Homeland Security and Criminal Justice Leadership

Graduated 2019
