San Jose State University

Bachelor of Science Business Finance

San Jose, CA

August 2014- December 2019

WORK EXPERIENCE

BANKING OPERATIONS ASSOCIATE

Sep 2023 - Feb 2025

LeafLink (formerly Dama Financial)

- Managed daily reconciliation of 500+ financial transactions including payroll-related disbursements, ensuring accuracy across multiple partner accounts.
- Managed daily reconciliation of 500+ transactions, including ACH, checks, and wire payments
- Led automation initiatives to streamline refund approvals and journal entry preparation
- Collaborated with AR and legal teams to resolve aged checks and reduce posting discrepancies
- Implemented escheatment tracking workflows to ensure compliance with unclaimed property laws
- Maintained 99.9% transaction accuracy across \$10M+ in monthly volumes
- Utilized advanced Excel functions (VLOOKUP, pivot tables, SUMIFS) for financial reporting and reconciliation

SOFTWARE QUALITY OPERATIONS ASSOCIATE

Aug 2021 - Mar 2023

Akorbi Workforce Solutions (Contracted to Waymo)

- Developed QA processes for finance-related data systems, improving reporting accuracy by 40%
- Analyzed large datasets to validate edge-case handling and support cross-functional automation efforts
- Documented technical protocols, boosting knowledge-sharing and audit readiness across teams
- Partnered with engineers and PMs to improve issue resolution workflows and reduce internal friction

SENIOR HEAD TELLER

Dec 2018 - Apr 2021

Citibank

- Processed and verified customer payments via cash, checks, and wires in a high-volume branch
- Conducted daily vault audits and supported branch-level escheatment and compliance checks
- Trained team members on refund handling, cash management, and journal entry best practices
- Resolved account discrepancies and supported fast-paced operations under strict regulatory timelines
- Implemented Excel-based audit tools to reduce reconciliation time by 40%
