WORK EXPERIENCE

Tenaris

Houston, Texas
Demand Planning Intern May 2025-August 2025

- Spearheaded a demand planning project that focused on OCTG accessories, improving forecast accuracy by analyzing Accessories/Well and PCF/Accessories KPIs and identifying key variation patterns across U.S. operations.
- Developed Power BI dashboards and implemented data-driven tools to support anomaly detection in forecasts, enabling the team to proactively address discrepancies and optimize inventory levels.
- Established a plan to improve forecasting practices across teams by integrating insights and best practices, enhancing cross-functional collaboration and supporting long-term planning strategies.

Causeway Capital LLC

Los Angeles, California
Rotational Intern June 2024 - August 2024

- Assisted in developing a business application to automate Client Services commonly asked questions from clients.
 - Worked closely with Operations group on reconciliation, trade settlement, dividend release, and proxy voting.
 - Developed a matrix that allowed for the Business development team to better summarize different files.
-
