WORK & LEADERSHIP EXPERIENCE

Project Destined

Real Estate Private Equity Intern

Boston, MA

Jul 2025 – Aug 2025

- Developed pro forma models and underwriting analyses to evaluate acquisition opportunities and provide investment recommendations
- Selected Project Experience:
 - Acquisition Underwriting: 120 Unit Multifamily Property
 - Underwrote acquisition of a 120-unit multifamily property; built pro forma, sized debt, performed risk analysis, and drafted an investment memo projecting 13% IRR
 - Portfolio Rent Forecasting: 3 Multifamily Properties
 - Developed pro forma models for 3 multifamily properties to forecast gross potential rent, projecting annual rent growth CAGRs of 10%

360 Huntington Fund (Student Managed Fund)

Senior Analyst, Equity Research

Boston, MA

Sep 2024 – Present

- Conducted analysis on 15+ public equities across Healthcare, TMT, Consumer Discretionary and Basic Materials to support buy/sell decisions
- Selected Project Experience:
 - TMT Stock Pitch: **Live Nation Entertainment (LYV)**
 - Developed valuation model incorporating DCF, EV/EBITDA, and revenue multiples; projected 15% upside driven by global venue expansion, Ticketmaster's AI pricing tools, and high-margin segments; presented Buy recommendation to the investment committee
 - Earnings Coverage: **Meritage Homes (MTH) & Newmont Corp (NEM)**
 - Prepared quarterly earnings coverage outlining Meritage's homebuilding margin pressures and Newmont's cost-saving measures; updated valuation models and risk assumptions based on revised financials and sector outlook

Ankur S Aggarwal & Co

Junior Accountant

Dehradun, India

Nov 2022 – May 2024

- Supported financial operations at a boutique accounting firm, focusing on GAAP-compliant reporting, tax preparation, and ERP-based bookkeeping
- Prepared journal entries and analyzed cash flow statements across 15+ client accounts using ERP systems, ensuring accurate financial reporting and strengthening audit readiness
- Validated purchase and sales transactions within ERP platforms, ensuring accurate classifications, reconciliations with vendor accounts, and seamless month-end closes
- Supported quarterly compliance activities, including tax filing preparation and documentation in coordination with senior accountants and clients
