PROFESSIONAL SUMMARY

Proficient Software Developer with a Master's in Computer Applications, specializing in Java, Spring Boot, SQL & PL/SQL. Skilled in developing scalable, high-performance software solutions with academic certification in Spring Boot and foundational knowledge in HTML, CSS & JavaScript. Brings strong problem-solving abilities and a dedication to continuous improvement. Known for delivering innovative solutions and collaborating effectively within teams to drive business success.

SKILLS AND TECHNOLOGIES

- Programming Languages: Java (J2EE), Python, JavaScript, HTML, CSS, SQL, PL/SQL
- Frameworks & Libraries: Spring, Spring Boot
- Databases: Oracle SQL/PLSQL
- Version Control: GIT, GitHub
- Methodologies: Agile, Scrum
- Data Structures & Algorithms: Arrays, Linked Lists, Stacks, Queues, Trees, Graphs, Hash Tables, Sorting, Searching
- Concepts: Object-Oriented Programming (OOP), Databases, OS, Computer Networks, Machine Learning, Information Retrieval, System Design.

PROFESSIONAL ACCOMPLISHMENTS

- AI-Powered Zomato Clone: Developed an intelligent food delivery application clone, incorporating AI features for personalized recommendations and optimized delivery routes.
- Online Job Portal: Built a platform connecting job seekers and employers using Java, Spring Boot, and Oracle SQL. Implemented job matching and real-time notifications.
- Automated Banking System: Created a system to automate operations like account and loan management with secure multi-factor authentication and real-time transaction processing.
- Alternative Routes in Road Networks: Designed and implemented a dynamic traffic simulation system to identify the most time-efficient routes using Dijkstra's shortest path algorithm.

CERTIFICATIONS & TRAININGS

- Agile Methodology Certification – Cognizant
- Software Engineering Job Simulation – Deloitte Forage
- Java & Spring Boot Project Development – Naresh I Technologies, Hyderabad
- SQL & PL/SQL Developer Certification – Naresh I Technologies, Hyderabad
- Android App Development using Java – MeitY, Electronics & ICT Academies

EDUCATION

Master of Computer Applications (MCA) | 8.93 CGPA

GIET University | 2020–2022

Relevant Coursework: OOP, Databases, DSA, OS, Computer Networks, ML, IR

Bachelor of Science (BSc) in Physics | 65%

Utkal University | 2016–2019
