Professional Experience

Kent City Health Department
Kent, OH 44240

Summer Intern for Mosquito Surveillance

May 2022 - September 2022

May 2023 - October 2023

- Set and collect up to 16 traps a day, including BG-Sentinel traps, Light traps, and Gravid traps. Cataloged mosquitoes caught. Labeled vials for processing by the Zoonotic Disease Department at the Ohio Department of Health (ODH)
- Evaluated current collection sites and suggested new collection sites. Determine the most appropriate trap/lure to use based on the weather, the site, and the species of mosquito.
- Compiled weekly results and created Excel file to send to ODH for analysis related to West Nile transmission among culex species. Applied adulticide (under the supervision of coordinator) when a sample pool was reported back positive for West Nile disease.
- Educated the public on the importance of mosquito surveillance and how to prevent man-made breeding grounds on their properties.

Kent City Health Department
Kent, OH 44240

Intern for Tobacco Compliance Program

January 2023

- Checked over 60 retailers in Portage County for compliance to tobacco state laws under the supervision and guidance of a public health employee.
