Gibson, FL | 813-334-3359 | Amyhuynh140@gmail.com | [Linkedin](#) | [Data Analytics Portfolio](#)

Detail-oriented and motivated **Data Analytics professional** with experience in customer fulfillment, data management, and problem-solving. Currently completing the **Google Data Analytics Certificate**, with hands-on experience in data cleaning, analysis, and visualization. Seeking to leverage strong analytical skills, attention to detail, and project management experience to drive actionable insights in a data analytics role.

PROFESSIONAL EXPERIENCE

ICQA Problem Solver | Amazon, Ruskin, FL

Jan 2023 – Present

- **Inventory Analysis & Accuracy:** Resolved inventory discrepancies through data analysis and root cause investigations, improving inventory accuracy and contributing to a 10% reduction in shrink.
- **Process Improvement:** Identified workflow inefficiencies and implemented solutions that boosted team productivity by 20% and improved on-time delivery rates by 5%.
- **Quality Audits:** Performed daily inventory audits to verify data accuracy and order fulfillment, reducing errors and maintaining a 98% inventory accuracy rate.

Receptionist | Prive Nail Spa, Riverview, FL

Mar 2021 – Nov 2022

- **Data Management:** Created and maintained comprehensive **spreadsheets** to track inventory levels, supply usage, and reorder schedules, ensuring a **15% reduction in inventory shortages**.
- **Financial Reporting:** Managed daily financial transactions, processing payments, and generating **reports** for inventory and cash flow analysis. Used basic data analysis to reconcile discrepancies and prepare reports for management.

Receptionist | Connect Metal Recycling, Duluth, GA

Jun 2019 – Oct 2019

- **Pricing & Data Entry:** Utilized **Excel** to track inventory levels and competitor pricing, updating databases to ensure competitive pricing strategies. This helped the company achieve a **5% increase in customer retention** by offering more accurate pricing to clients.
- **Data Analysis for Pricing Strategy:** Compiled data on customer purchases, metal pricing trends, and competitor rates to help management adjust pricing strategies, resulting in improved profitability.

Sales Associate | Paradies Lagardere, Tampa, FL

Jun 2018 – Dec 2018

- **Sales Data Analysis:** Managed daily revenue reporting and created sales tracking **spreadsheets** to help identify sales trends and optimize product displays for better customer engagement.
- **Customer Insights & Inventory Management:** Used sales data to anticipate high-demand products and worked with inventory management to ensure optimal stock levels, reducing out-of-stock incidents by **10%**.
