EDUCATION

University of Maryland, Robert H. Smith School of Business May 2025
Bachelor of Science, International Business & Operations Management, Business Analytics GPA: 3.4
College Park Scholars, International Studies September 2021 - May 2023

- Wrote a research paper on impact of global corporations on local communities.

QUEST Honors Program September 2022 - May 2025

- Selected for a competitive program consulting with local and global businesses as interdisciplinary teams.
- Passed a rigorous application and group interview process out of 500 candidates to form a cohort of 90 honors students.

WORK EXPERIENCE

BAE Systems (Combat Mission Systems) College Park, MD
Student Consultant, Part-Time January 2024 - May 2024

- Analyzed 5+ manufacturing process variation at 7 sites through 20+ stakeholder interviews to discover bottlenecks that cause tension in the supply chain.
- As a result of the stakeholder interviews, developed a standardized process flow in Oracle to improve inter-site collaboration and simplify supply chain.
- Created a technical guide to instruct over 25+ software engineers on the standardized process flow.

Smith Office of Career Services College Park, MD
Employer Relations Coordinator, Part-Time June 2023 - May 2025

- Improved relations with 700 corporate partners by implementing single point of contact (SPOC), a communication log and scaled events to effectively reach a larger group of students.
- Lowered error rate of job postings by 75% on HireSmith, a Salesforce platform by implementing a sample rate for quality checks and root cause analysis.
- Drove effectiveness of employers events by building a process of weekly check-ins leading to events.

AlgenAir College Park, MD
Student Consultant, Part-Time January 2023 - May 2023

- Performed analysis of Direct to Consumer (DTC) purchase data using Python to build a consumer segment. AlgenAir used this consumer segment to develop targeted campaigns on Meta platforms.

Smith Start Program College Park, MD
Mentor, Part-Time May 2022 - May 2024

- Coached 19 mentees in professional development, with 53% of mentees in leadership positions throughout the business school by the end of the program.

Wegmans Hunt Valley, MD
Part-Time Cashier September 2020 - December 2023

- Managed the weekly needs and responsibilities of over 500 customers to ensure satisfaction in customer relations, a fast checkout speed, and a rigorous cleaning schedule to increase customer retention.
- Cataloged inventory to ensure product accuracy on the Wegmans app from 85% to 87%.

LEADERSHIP

American Marketing Association, AMA *President, Part-Time* December 2023 - January 2025

- Rebrand UMD chapter to show value of membership dues and increase intimacy with local professional chapters. AMA Baltimore and Washington chapter helped members build networks and mentorship.
- Ranked Top 25 nationwide with strategic chapter planning driving 100+ attendees at signature events.
- Led a five person committee to create two signature events per year to maximize employer interactions with general body members leading to multiple internship offers.
- Track interactions between the events team and employers to standardize a record keeping system on Google Sheets with over 100+ active connections.
