

Ethan Hurwitz

Rochester, NY 14618

+1-585-319-2053 ✉ ehurwitz9@gmail.com

Summary

Analytically driven and detail-oriented professional with a strong academic foundation in mathematics and economics from Oberlin College and a Master's in Data Science (expected August 2025) from Stevens Institute of Technology. Experienced in statistical modeling, machine learning, and data visualization. Proven ability to translate complex data into actionable insights through academic research, collaborative projects, and applied analytics.

Education

Stevens Institute of Technology

Sep 2024 - Aug 2025

Master of Science, Data Science

- **GPA:** 3.75

- **Coursework:** Applied Machine Learning, Probability, Statistical Methods, Optimization, Web Mining, Big Data Technologies

Oberlin College

Sep 2021 - May 2024

Bachelor of Arts, Mathematics, Economics

- **GPA:** 3.54

- **Achievements:** Captain, Varsity Baseball Team & Member, Oberlin College Chapter, National Society of Leadership and Success

- **Coursework:** Statistics & Modeling, Bayesian Computation, Econometrics, Topology, Group Theory, Linear Algebra

Relevant Experience

Outlier

Jun 2024 - Present

AI Math Analyst

Remote

- Developed advanced mathematical problems to refine and enhance AI models' understanding of complex concepts.
- Designed diverse, high-level math prompts across topics such as multivariable calculus, linear algebra, ensuring accuracy and clarity
- Collaborated with cross-functional teams to evaluate AI model performance and identify areas for improvement in mathematical reasoning and problem-solving capabilities.

Winston Churchill High School

Feb 2025 - Present

Junior Varsity Baseball Coach

Potomac, MD

- Developed and implemented detailed practice focused on improving player fundamentals, game strategy and cohesion.
- Mentored players by applying personal experience as a former college baseball player, providing insightful advice and emphasizing the importance of discipline and teamwork.
- Performed statistical analysis of player performance and game data to optimize lineups, adjust strategies, and identify areas for improvement.

Oberlin College

Sep 2023 - May 2024

Homework Grader (Statistics & Linear Algebra)

Oberlin, OH

- Evaluated and graded student assignments in statistics and linear algebra, ensuring accuracy, consistency, and timely feedback.
- Assessed problem-solving approaches and provided constructive comments to support student learning and improvement.
- Maintained detailed records of grades and collaborated with instructors to align grading standards and address student concerns.

Skills

- **Programming Languages:** Python, R, SQL
- **Data Analytics:** JMP, Stata
- **Data Visualization:** Power BI, Matplotlib
- **Productivity Tools:** Excel, LaTeX
