Fairfield, Iowa 52556 | +1-641-233-9609 | romyprajapati7@gmail.com | [LinkedIn](#) | [Github](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Data Analyst with robust experience in automating reports and building dashboards using Excel, SQL, Python, and Power BI. Proven track record of accelerating reporting and enhancing pipeline reliability through actionable insights. Experienced in remote collaboration, data cleaning, and transforming raw data into clear, data-driven recommendations that support business decisions.

CORE COMPETENCIES

- **Core Competencies:** Data Storytelling, KPI Dashboards, Forecast Models, SQL Optimization, ETL Automation, Pipeline Monitoring, Stakeholder Reporting, Data Governance, Agile Collaboration, Data Science, Business Analytics, Data Visualization, Statistics
- **Technical Skills:** SQL (PostgreSQL, T-SQL), Python (Pandas, NumPy), Power BI, Tableau, Excel (Power Query, VBA), Git, Python pipelines, Excel macros, dbt, GitHub Actions, Jupyter Notebook, Power BI (DAX, RLS, drill-through), Tableau (heatmaps, treemaps), Excel dashboards, Data Cleaning, Validation, Aggregations, Joins, File Parsing (CSV, Excel, JSON)

PROFESSIONAL EXPERIENCE

Vanguard Resource Group | Data Analyst (Contract)

Nov 2024 - Jun 2025

- Analyzed 50,000+ flight records using Python and data cleaning techniques to improve flight delay predictions, reducing scheduling errors by 18%.
- Automated reporting processes by developing Python-based aggregation scripts and ETL pipelines, reducing manual reporting time by 45%.
- Evaluated environmental factors, such as wind gusts greater than 10 mps, to identify trends that improved fleet utilization by 12%.
- Integrated actionable insights into airline workflows to enhance data integrity and reduce customer complaints by 9%.

Leapfrog Technology Inc. | Data Analyst

Jan 2024 - Oct 2024

- Developed interactive dashboards in Power BI and Tableau, tracking 10,000+ U.S. data roles to support data-driven hiring decisions and improve efficiency by 22%.
- Conducted exploratory data analysis using Python and SQL to assess salary trends and skill demand, influencing career decisions for over 500 job seekers.
- Created engaging visualizations, including heatmaps and treemaps, to illustrate market trends and reduce skill mismatch rates by 15%.
- Standardized and organized diverse labor data sources, enhancing reporting accuracy and streamlining HR processes by reducing overhead by 10%.

Cedar Technologies Ltd. | Data Analyst

Apr 2021 - Dec 2023

- Increased pipeline reliability by 60% with Python- and SQL-based ETL solution with anomaly detection.
- Cut dashboard duplication and enhanced security using Power BI with parameterized queries and RLS.
- Accelerated reporting by 92% through Excel automation using Power Query, VBA, and advanced formulas.
- Prevented 85% of upstream data issues using schema inference and self-healing validation logic.
- Enabled self-service reporting with logic-embedded Excel framework and SQL-free functionality.

EDUCATION

Maharishi International University (MIU), USA

2024 - 2026

MBA, ERP & Business Analytics / Accounting / Auditing (GPA: 3.7)

- **Coursework:** Data Analysis & Business Intelligence, Financial Accounting, Programming & Database Management, ERP Systems

Asian College of Higher Studies, Nepal

2018

Bachelor of Computer Science and Information Technology (GPA: 3.9)

- **Coursework:** Java, Python, Advanced Database Design, Software Engineering, Algorithms, .NET Programming

KEY PROJECTS

Flight Delay Risk Modeling (Python) | [Link](#) | Vanguard Resource Group

- Analyzed 50K+ flight records to identify top delay-prone routes and airlines.
- Assessed wind gust impact on delays, improving on-time departure by 25% for top 3 affected airlines.

Data Job Market Intelligence Dashboard (Power BI, Tableau) | [Link](#) | Leapfrog Technology Inc.

- Identified top-paying roles (avg. \$116K) and tracked hiring trends across industries and experience levels.
- Designed executive visuals to benchmark compensation and experience by job role and seniority.

CERTIFICATIONS

- Microsoft Certified Data Analyst Associate (PL-300) - 2025
- Business Intelligence & Data Analyst (BIDA) - CFI - 2025
- Google Data Analytics Professional Certificate - 2025
