Banik307@gmail.com | +1 (848) 334-7440 | <https://www.linkedin.com/in/vishalbanik2002/> | Chicago, IL

EDUCATION

University of Illinois Urbana-Champaign, Gies College of Business

August 2025

Master of Science in Technology Management: **GPA - 3.9/4.0**

Phi Kappa Phi Inductee – Top 10% of global business students

Thadomal Shahani Engineering College, Mumbai

June 2024

B.E. in Electronics & Telecommunication: **GPA: 3.8/4.0**

Leadership Award recipient for tenure as ISTE Chairperson (2024)

EXPERIENCE

Program Coordinator | Gies Business Online Programs; Champaign, IL

September 2025 – Present

- Delivered **100% on-time grading turnaround for 700+** students by restructuring workflow timelines and checkpoints
- Reduced regrade requests by ~20%** by identifying gaps in evaluation rubrics and working with instructors to standardize
- Flagged **15+ at-risk students early through** performance tracking in Excel/Canvas, enabling timely improved outcomes
- Cut response **turnaround time by ~30% centralizing communication between students and faculty, improving issue resolution and program visibility**

Product Development & Strategy | NoshBox; Champaign, IL

April 2025 – November 2025

- Led beta GTM motion for 100+ SMB restaurant partners - instrumented onboarding funnel, identified drop-off points and iterated on activation flows that drove a **25% improvement in conversion rate**
- Diagnosed a core user adoption bottleneck through qualitative interviews and usage pattern analysis; shipped a self-serve resource library that **reduced inbound support volume and improved D30 retention**
- Conducted systematic competitive teardown across 8 food-tech platforms - mapped feature gaps, pricing architecture and positioning vectors, directly informing **product roadmap prioritization and lifting projected retention by 20%**

Business Strategy Consultant | PIXO Inc; UIUC Experiential Learning; Champaign, IL

May 2025 – August 2025

- Built a bottoms-up pricing model across **20+ dealer accounts - integrating market benchmarks**, account-level data and customer insights that unlocked a **\$1M pipeline** and was adopted as the standard framework across the SMB segment
- Owned end-to-end stakeholder alignment across sales, engineering, and marketing - facilitated structured discovery cycles and **reduced deal cycle time by 20% across 5 concurrent high-value dealer accounts**
- Drove **15% YoY revenue growth projection** by redesigning the dealer value proposition from positioning through pricing - presented directly to senior leadership and greenlit within 2 weeks

Product Marketing Intern | Viral Fission; Mumbai, IN

September 2022 - June 2023

- Converted 10+ advertiser accounts from offline to performance marketing - designed targeting frameworks, tracked funnel metrics end-to-end and scaled campaigns to **250K+ impressions with measurable** cost-per-result improvement
- Built 5+ Power BI dashboards consolidating impression share, CTR & conversion metrics across 5+ ad platforms - **cut TTR by 50%**

PROJECTS

OneSTOP | Product Strategy & AI Retail Innovation

2025

Product Hackathon | Ranked 10th out of 280 teams (Top 4%)

- Designed **cloud-based pricing and expiration tracking modules**, simulating SKU optimization for local retailers
- Proposed **voice assistant integration** and **API-driven loyalty rewards**, projecting 3X repeat engagement
- Created **mock technical docs and GTM pitch deck** for stakeholder validation

HangOn | Product Development & Market Launch, USA

2025

- Managed **4 sprint cycles** from ideation to prototype, integrating feedback from **100+ user surveys**
- Improved product-market fit score by **45%** through usability testing and packaging refinements
- Launched **early-access campaign**, securing **200+ sign-ups** pre-release with in-box collateral and onboarding instructions
