Technical Skills

Data Analysis & Visualization: SQL (*MySQL*, *PostgreSQL*), Python (*Pandas*, *Matplotlib*), Excel, Tableau

Tools & Technologies: VSCode, Git, Github, Google Suite, Microsoft Office

Certifications

Data Analyst Associate (SQL), *DataCamp*

01/2026

Work Experience

Tempus AI, Inc.

Chicago, IL

Clinical Data Abstractor

10/2023 – Present

- Structures, analyzes, and abstracts key data elements from oncology electronic health records
- Maintains data quality standards in adherence to strict quality assurance expectations, while exceeding daily and weekly case throughput goals
- Fortifies knowledge of cancer genomics to enhance day-to-day operations and improve the quality of abstracted data
- Mentors 2 Junior Data Abstractors, improving abstraction accuracy and allowing for a seamless transition between training and production
- Readily pivots to new projects and workflows according to changing business needs

Projects

“Real World Fake Data” Emergency Department Analysis

- Analyzed a dataset of thousands of patient’s emergency department visits, answering a variety of questions to garner insights into the patient population, as well as the emergency departments quality of service
- Made use of SQL functions (aggregations, window functions, JOINS, CTEs, CASE WHEN) to answer questions with concise, effective queries
- Created a functional Tableau dashboard to visualize data and garner further insights

Volunteer Experience

Neurocognitive Health Behavior Lab

Urbana, IL

Research Assistant

3/2023 – 8/2023

- Collaborated with research team to establish protocols and ensure smooth workflow
- Trained three undergraduate research assistants in EEG cap usage, proper data entry, neurocognitive task administration, and anthropometric measurement techniques
- Administered arrays of neurocognitive tasks to adolescent participants in large cohort studies

Carle Health

Champaign, IL

Student Volunteer

6/2021 – 12/2021

- Communicated with patients in a post-operative setting to facilitate positive patient experience
- Guided approximately 40 patients per day through the appointment check-in process

Education

University of Illinois Urbana-Champaign

Urbana, IL

Bachelor of Science in Kinesiology; Minors in Integrative Biology, Chemistry

8/2019 – 5/2023
