Professional Work Experience:

Clinical Research Coordinator, *Alzheimer's Disease Research Center* - Albany, NY

Aug 2021 - Present

- Manages a caseload of 25-30 patients enrolled across 16 different pharmaceutical sponsored clinical trials for Mild Cognitive Impairment and Early Alzheimer's Disease.
- Schedules and coordinates study visits according to protocol, obtains informed consent and ensures eligibility for new participants, and provides continued care and study treatment to enrolled participants.
- Collects, documents, and organizes data, including cognitive assessments, vitals, labs, electrocardiograms, and new adverse events, in accordance with Good Clinical Practice, FDA, and sponsor guidelines.
- Recruits and retains patient participation in clinical trials through recruitment databases, phone calls, email inquiries, and physician referrals.

Social Work Case Manager, *The Bowen Center* - Plymouth, IN

Aug 2020 - Dec 2020

- Provided evidence-based treatment to 10-15 low-income individuals ranging from ages 6-58 years old struggling with various mental health and behavioral issues.
- Administered psychological evaluations on a quarterly basis to record progress and provide tailored treatment plans for each individual.
- Assisted students with learning disabilities in school by teaching them study skills and techniques to improve attentiveness and emotional regulation.
- Completed 12-15 home visits per week to assist individuals facing housing instability, family conflicts, and other social determinants of health.

Other Work Experience:

Student Intern, *Ellis Medicine Nursing Home* - Schenectady, NY

Mar 2020- Jun 2020

- Engaged in quality conversation with residents via Zoom helping them maintain well-being and social engagement during the COVID-19 pandemic.
- Collaborated with supervisors to devise plans on how to help residents cope with social isolation.

Student Docent, *Mandeville Gallery* - Schenectady, NY

Sept 2018 - Mar 2020

- Maintained a clean and organized environment for visitors.
- Conducted extensive research on gallery exhibits in order to provide accurate information to viewers.

Cashier/Stock, *State Street Fruit Store* - Northampton, MA

Aug 2015 - Dec 2016

- Processed customer transactions and maintained the store environment by stocking shelves, organizing products, cleaning counter-space and keeping coffee fresh for customers.
