PROFESSIONAL EXPERIENCE

Data Team Lead, Sherwin Williams, Cleveland, OH

Jul 2024 - Oct 2024

- Negotiated agreements with operation, process, and system owners to assert role responsibility following a department split
- Developed and reported on metrics to hold leaders accountable to the negotiated responsibility agreements
- Awarded Best UX and Design in Digital Innovation Accelerator Hackathon

Sr. Business Development and Systems Analyst, Lazurite, Cleveland, OH

Sept 2022 - Jun 2024

- Streamlined company software system operations in Salesforce, Hubspot, Monday.com, Ninety.io, and HighQ by reducing IT incident requests in these platforms by 67%
- Efficiently led efforts to transitions in CRM and equity management platforms by providing training and documentation to all stakeholders
- Guided leadership team members with analytical support in key decisions surrounding organizational structure, quarterly goals, and departmental KPIs
- Built, trained, and implemented company systems for expense reporting, contract tracking, and project management. Allowing over 100 purchases and 300 contracts each month to be tracked and audited

Community and Partner Data Analyst, Ninety.io, Cleveland, OH

Jun 2021 - Jun 2022

- Engineered algorithms in Domo to maximize data analysis processes, including organizing over 1,000 leads by loyalty and prospect size
- Managed project requests, pain points, and development priorities between data and partnership departments to ensure projects ran smoothly
- Built over a dozen data visualization tools on Domo to support data arguments and communicate leading and training indicators to multiple departments
- Authored and maintained three playbooks to effectively communicate with target clients, beyond an analyst's original scope of responsibilities

Clinic Coordinator, Bozeman Deaconess Hospital, Bozeman, MT

Jan 2021 - May 2021

- Led 45 patients through multi-step in-person and telehealth check-in processes daily
- Directed over 150 incoming calls daily while managing relevant information channels
- Streamlined appointment confirmation process and coached others to minimize errors by implementing an appointment color-coding system

Rebranding Marketing Intern, Kearney, Chicago, IL

Sep 2019 - Mar 2020

- Redeveloped the company's global website by updating over 500 web pages
- Created research decks for over 50 clients at the 2020 World Economic Forum in Davos
- Immediate Impact Award Recipient - A top global marketer who impacted the success of the firm

EDUCATION

Venture For America Fellow

June 2021 - June 2023

- A highly selective two-year fellowship focused on giving recent graduates firsthand startup experiences to help them become leaders who make meaningful impacts on local economies with their careers
- Head of Cleveland's City Leadership Council

Bachelor of Arts in Business Administration with Honors, Marketing Concentration Gonzaga University, Spokane, WA

May 2019

- Minors in Entrepreneurial Leadership and Communication
- President's and Dean's List, Cum Laude, Newman Scholar, Senior Leader, Honors Council President
