PROFESSIONAL SUMMARY

I am an impact-driven and detail-oriented financial analyst with 2 years of experience in financial analysis, budget management, data analysis, and process improvement. I have proven strong skills in deriving actionable insights from data, communicating finance to non-technical audiences, and proactively solving problems.

KEY SKILLS

• Excel • PowerPoint • SQL • PowerBI • Python • Public Speaking • Communication • Collaboration

WORK EXPERIENCE

JOHNSON & JOHNSON

New Brunswick, NJ

Finance Leadership Development Program (FLDP) – Financial Analyst

January 2024 – August 2024

- Managed a \$10M budget by conducting variance analyses twice a quarter and forecasting sales/expenses. Provided strategic insights to leadership and communicated financial priorities to business partners, influencing decision-making
- Solved invoicing issues in the order-to-cash process for sales of a digital software product, driving over \$300K of revenue and increasing on-time cash receipts by 25%
- Analyzed historical sales data to advise leaders to remove funding for a poor product, creating \$500K annual savings
- Reviewed financial data, booked journal entries, and verified SOX compliance, ensuring successful quarter-end closes
- Won 3 of 3 case competitions at FLDP trainings, demonstrating excellent presentation and problem-solving skills

Finance Leadership Development Program (FLDP) – Associate Financial Analyst

August 2022 – January 2024

- Managed two Planview project plans weekly to communicate deliverables, timing updates, and risks to senior leadership. Represented team in meetings with project managers, driving efficiency and reducing team meetings
- Led task management updates during new finance software deployment by collaborating with cross-functional teams to add 3,000+ tasks globally, helping hundreds of finance professionals perform new quarter-close tasks
- Updated 25+ finance instruction manuals by drafting documentation, presenting changes to leadership, and communicating with content management team, ensuring up-to-date and accurate guidance on finance processes
- Led a team of 4 peers to create a recruitment video for the FLDP program, shown to ~200 new hires per year

HUMAN SERVICES COALITION OF TOMPKINS COUNTY

Ithaca, NY

Planning and Coordination Intern

June 2019 – August 2020

- Analyzed data on Medicaid members' preventable emergency room visits with Excel to identify vulnerable neighborhoods and tailor outreach efforts towards specific demographics
 - Assisted a committee of 11 nonprofit leaders with evaluating funding applications during the Review Process, in which \$1.5M was allocated to 20 nonprofits, by taking detailed notes and contributing feedback during deliberations
 - Implemented an auto-reply text messaging system within the call center to provide instant access to housing resources
-

EDUCATION

CORNELL UNIVERSITY, SC JOHNSON COLLEGE OF BUSINESS

Ithaca, NY

Bachelor of Science in Applied Economics and Management, summa cum laude

2018 – 2022

Teaching Assistant for AEM 2240: Finance for Dyson Majors

GPA: 4.06
