PROFESSIONAL SUMMARY

Operations and Customer Support Professional with 12+ years of experience across financial services, healthcare, and technical support environments. Experienced in Medicare enrollment processing and CMS-compliant case resolution within fully remote settings. Demonstrated success managing high-volume workflows, maintaining 99%+ data accuracy, resolving member and client inquiries, and supporting performance metrics. Bachelor of Science in Business – Expected March 16, 2026.

PROFESSIONAL EXPERIENCE

Enrollment Representative – Humana (Remote) | September 2025 – Present

- Process Medicare enrollment adjustments in compliance with CMS regulations to ensure accurate member coverage.
- Research and resolve enrollment discrepancies while communicating with internal teams to prevent coverage interruptions.
- Submit detailed case documentation for CMS review and approval, maintaining audit-ready records.
- Assist with enrollment-related inquiries while ensuring regulatory adherence and documentation accuracy.
- Manage multiple case priorities in a high-volume remote environment while meeting quality and productivity benchmarks.

Customer Service Lead – Apple (Remote) | November 2022 – September 2025

- Handled high-volume inbound customer service and technical support interactions via phone and chat, maintaining a 95%+ customer satisfaction rating.
- Provided Tier 1 technical support assisting Apple customers with device setup, Apple ID access, password resets, software updates, and general troubleshooting.
- Diagnosed and resolved software, connectivity, and device-related issues for iPhone, iPad, and macOS users through guided troubleshooting.
- Promoted to Tier 2 technical support within six months due to strong troubleshooting ability, performance metrics, and customer satisfaction scores.
- Delivered Tier 2 support handling more complex troubleshooting cases and assisting with escalated customer technical issues.
- Escalated advanced hardware or system-level problems to specialized engineering teams when necessary.
- Documented customer interactions, troubleshooting steps, and resolutions within internal ticketing and case management systems.
- Generated performance reports and coached representatives to improve service quality, response time, and workflow efficiency.

Customer Service / Data Entry Specialist – American Express (Remote) | November 2017 – November 2022

- Processed 500+ financial records weekly with 99.9% data accuracy in a regulated financial environment.

- Verified and documented sensitive customer financial information in compliance with internal controls.
- Resolved billing discrepancies and client documentation issues through clear communication and research.
- Supported B2B account setup and regulatory documentation processing.
- Maintained zero audit findings through consistent adherence to compliance standards.

Customer Service Team Lead – Macy's (On-site) | November 2011 – November 2017

- Supervised customer service teams handling order processing and issue resolution.
- Monitored KPIs and coached team members to exceed productivity and quality goals.
- Reduced recurring complaints through proactive communication and process refinement.
- Supported B2B bulk and corporate order operations with accuracy and timeliness.
