WORK EXPERIENCE

THE TJX COMPANIES INC.

Framingham, MA

Global Process Improvement Co-op

July 2024 – Dec 2024

- Completed training in Power BI and Performance Analytics, leveraging tools to drive data visualization and business insights.
- Achieved Yellow Belt certification in Lean Six Sigma, applying process improvement principles across cross-departmental projects:
 - Sierra Report Automation – incorporating data cleaning and dashboarding to enhance reporting accuracy.
 - HomeGoods Availability Management Service – applying Lean Six Sigma decision-making tools to optimize tracking visibility.
 - Vessels at Anchor Reporting – leveraging process mapping to streamline operations and enhance reporting capabilities.
 - Leading the development of a virtual agent for internal SharePoint site, streamlining document search and access.

IROBOT

Boston, MA

Product Marketing Co-op

July 2023 – Dec 2023

- Managed 200+ product marketing assets within the iRobot Brand Zone and Digital Asset Management System (DAM).
- Collaborated cross-functionally with product management, legal, web, and regional teams to develop marketing materials.
- Participated in consumer focus groups to analyze the hierarchy of preferences and structure messaging to align with market needs.
- Conducted competitive analysis by comparing product information pages on iRobot's website, Amazon, and other retailers, providing insights to improve product positioning and enhance consumer engagement.

QRAVED

Jakarta, Indonesia

Business Operations Intern

April 2022 – July 2022

- Managed and updated data for 20+ restaurant partners, including digital menus and table QR codes to ensure data accuracy.
- Updated data in real-time, demonstrating quick execution to support partners' evolving needs and maintain operational efficiency.
- Spearheaded competitor analysis, researching partners' profiles to optimize their brand catalog and identify growth opportunities.
- Delivered onboarding presentations, collaborating with the core team to streamline the onboarding process and build partnerships.

INVOLVEMENT

NU ENTREPRENEURS CLUB

Boston, MA

Co-President

May 2024 – Present

- Led a 30-member board across 8 teams and partnered with campus directors on Oakland and London campuses to expand the club's global reach, ensuring a smooth transition for students incoming to the Boston campus.
- Orchestrated large-scale events, collaborating with MOSAIC ecosystem leaders for cross-club collaborations, and other Boston universities (BU, Tufts, Bentley, Babson, Harvard, MIT) for intercollegiate networking nights, start-up expos, and speaker panels.
- Optimized operations by implementing structured workflows and feedback systems, consistently improving team efficiency.

Co-Vice President

May 2023 – May 2024

- Directly oversaw three teams—Marketing, (E)mbassadors, and Community—ensuring alignment with club goals and supported Co-Presidents by assisting with strategic planning, decision-making, and operational oversight.
- Delegated tasks and monitored progress to ensure all deliverables were completed on time and met quality standards.
- Conducted A/B testing to assess the impact of different tools, posting schedules, and promotional strategies on efficacy.

Director of Marketing

May 2022 – May 2023

- Led the marketing team consisting of 10 members to create and manage multimedia content across 8 channels.
- Held weekly meetings to discuss optimization of semester-long processes, workflows, and measurement of KPIs.
- Boosted social media follower count by 50%, newsletter clicks by 60%, and efficacy of printed flyers by 40%.
