PROFESSIONAL EXPERIENCE

EMPOWER — Greenwood Village, CO (Remote)

Analyst, Fixed Annuities | 2025–Present

- Prepare monthly and quarterly reports supporting defined benefit plans, including asset depletion, reserve reporting, reconciliations, reclassifications, and ad hoc analysis.
- Support internal and external audits by validating data accuracy, reconciling discrepancies, and documenting findings.
- Assist with SAP system conversion efforts, supporting data integrity, process validation, and cross-functional coordination.

Manager, Fixed Annuities | 2023–2025

- Oversaw reporting, reconciliation, and audit processes to ensure accuracy, consistency, and compliance with internal controls.
- Reviewed operational and performance data to identify trends, risks, and opportunities for process improvement.
- Collaborated with leadership on quarterly reviews and data-driven decision-making initiatives.

Senior Annuity Processor | 2021–2023

- Processed and validated SAP transactions, including premium postings, invoices, refunds, and reissues.
- Performed quality control reviews on high-impact transactions, ensuring completeness and accuracy of data.
- Assisted in developing written procedures and training materials to standardize data processing workflows.
- Served as a primary point of contact for plan partners, responding to data and reporting inquiries.
- Promoted twice in under two years based on performance and subject-matter expertise.

PURPLE PALM VACATIONS — Englewood, CO

Owner / Operator | 2011–2021

- Managed client and booking data within a CRM system, ensuring data accuracy and consistency across records.
- Designed and maintained automated email campaigns based on destination and travel type, leveraging customer data to support engagement and retention.
- Tracked sales performance and customer trends to support business planning and forecasting.
- Managed website content and monitored basic web analytics to assess engagement and campaign effectiveness.
- Produced recurring performance summaries to evaluate revenue, repeat business, and customer behavior.

EDUCATION
