

ARUN GARWAN

Jersey City, NJ | garwanarun@gmail.com | (551) 277-7255 | [LinkedIn](#) | [Portfolio](#)

EDUCATION

Pace University, Seidenberg School of Computer Science and Information Systems
Master of Science (MS) in Computer Science

New York, NY
May 2026

St. Francis Institute of Technology
Bachelor of Engineering (BE) in Computer Engineering

Mumbai, MH
May 2022

TECHNICAL SKILLS

Languages: Python, SQL, JavaScript, HTML5, CSS3, PHP, Java

Analytics Libraries: Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn, VADER Sentiment

BI & Visualization: Power BI, Tableau, Microsoft Excel, dashboard design, KPI visualization, data storytelling

Databases: MySQL, SQLite, database design, joins, aggregations, reporting queries, data modeling basics

Machine Learning: Classification, forecasting, customer segmentation, XGBoost, Prophet, model evaluation, SHAP explainability

AI & LLM Tools: Claude, Claude API concepts, Amazon Bedrock learning, Model Context Protocol, AI fluency, LLM applications, workflow automation

Tools & Platforms: GitHub, Google Colab, Jupyter Notebook, VS Code, GitHub Pages, REST APIs, Microsoft PowerPoint

Business & Project Skills: Requirements analysis, stakeholder communication, documentation, executive reporting, project coordination

ACADEMIC PROJECTS / PERSONAL PROJECTS

PlaceEase- Centralized Job Placement Platform Aug 2023 – May 2024

- Developed a centralized job placement platform serving 500+ users and 30 employers using the MERN stack and REST APIs, improving placement efficiency by 15% through structured matching logic and SQL-based performance tracking.

Green Paddle- Bicycle Rental Website Jan 2023 – May 2023

- Developed an online cycle rental platform (290+ monthly users) using PHP, MySQL, HTML5, CSS3, and JavaScript, increasing site traffic by 40% through optimized booking workflows and database-driven inventory management.

Strong Password Generator- Security Tool Aug 2022 – Dec 2022

- Built a customizable password generation tool in Python using secure hashing and randomization algorithms, improving password strength effectiveness by 40% and enhancing user security standards.

Air Mouse- Gesture Controlled Interface System Jan 2022 – May 2022

- Designed a gesture-controlled mouse system using Python and OpenCV with real-time computer vision processing, tested with 250+ users to improve interaction accuracy and responsiveness.

PROFESSIONAL EXPERIENCE

Indkan Worldwide Exim LLC

Jersey City, New Jersey

Data Analyst Intern / Data Analyst Co-op

Jun 2025 – Dec 2025

- Collaborated with sales and operations teams to analyze 50K+ transactional records using SQL and Python, uncovering customer behavior trends that improved forecasting accuracy and operational decision-making.
- Designed and deployed 5+ automated Power BI and Tableau dashboards powered by optimized SQL queries, reducing manual reporting time by 25%, and improving reporting consistency across departments.
- Enhanced backend reporting pipelines by implementing SQL indexing, query optimization, and join restructuring, reducing data retrieval time by 30% and enabling faster executive-level reporting.

Relite

Mumbai, Maharashtra

Data Analyst Intern

Nov 2023 – Mar 2024

- Led a data science project analyzing 50K+ data points using Python and statistical techniques to uncover actionable insights that improved decision-making accuracy by 20% across key business metrics.
- Applied data cleaning, exploratory data analysis (EDA), and trend modeling to optimize performance indicators, delivering data-driven recommendations that enhance strategic planning outcomes.

LEADERSHIP

St. Francis Institute of Technology, Project Manager

Aug 2023 – May 2024

St. Francis Institute of Technology, Institutions Innovation Council, Vice President

Apr 2023 – Apr 2024

CERTIFICATIONS

British Airways – Data Science (Forage), Walmart USA – Advanced Software Engineering (Forage), Vista Equity Partners – AI in Action (Forage), Java Programming (ICM), Anthropic: Claude in Amazon Bedrock, Model Context Protocol – Introduction & Advanced Topics, Building with the Claude API, AI Fluency, Claude Code in Action, Claude Cowork, Claude Code 101, Claude 101
