Professional summary

Results-oriented technician with 4+ years of multifaceted experience, transitioning from a technical and leadership role in the United States Air Force to the IT/Tech field. Bringing a unique blend of skills including leadership, resource management, and advanced troubleshooting, coupled with an active Secret Clearance. Eager to apply analytical and problem-solving skills to enhance cybersecurity measures and drive technological innovations.

Employment history

United States Air Force | Aviation Mechanic | Barksdale Air Force Base, LA

Apr 2020 - Apr 2024

- 4 Years of proven expertise in handling and safeguarding classified and valuable documentation related to vital National Security components.
 - Demonstrated ability to maintain strict confidentiality, adhere to security protocols, and ensure the integrity of sensitive materials.
 - Proficient in implementing security measures and procedures to mitigate risks and protect critical information.
 - Adept at collaborating with cross-functional teams to ensure compliance with regulatory requirements and organizational standards.
- Performed critical maintenance on 14 aircraft valued at \$1.3 billion, ensuring mission readiness for the 7,000 Flying Hours Program, Bomber Task Force Deployments, and Air Force Global Strike Command/U.S Strategic Command Operations.
- Led a team of three technicians in performing preventative maintenance, troubleshooting, and component replacements while acting as Dedicated Crew Chief for B-52H 60-058, ensuring aircraft readiness and mission success.
- Spearheaded the first successful launch of Aircraft 61-020 after an 89-day CANN status, resolving 89 critical issues within 108 man-hours while ensuring an 82% mission-capable rate as the acting Crew Chief, and simultaneously managing nine specialist shops to achieve this accomplishment.

Community Savings Bank | Bank Teller | Caldwell, OH

May 2017 - April 2020

- Managed multiple cash drawers and transactions such as withdrawals and deposits with meticulous accuracy, ensuring zero discrepancies and adhering to strict financial regulations.
- Delivered exceptional customer service to a diverse clientele, fostering trust and exceeding satisfaction expectations.
- Collaborated effectively with loan officers to provide comprehensive financial services to clients and assisted with processing paperwork and verifying documentation.
- Leveraged banking industry knowledge and training to assist customers with inquiries about accounts, products, and services, and provided clear and accurate information on savings strategies, loan options, and financial literacy.

Education

CompTIA Career Development Program | Star V Learning Centers | Jacksonville, FL
