EXPERIENCE

Market Research and Consulting Intern

March 2025 – May 2025

HawkPartners - New York, NY

- Collaborated with Fortune 500 pharmaceutical, healthcare, and consumer goods clients on research and strategy initiatives, including message testing, brand positioning, patient journey mapping, concept testing, and annual audience tracking.
- Engaged in qualitative, quantitative, and secondary research, including surveys and interviews, to support data-driven decision-making.
- Developed client-facing pitch decks and final report presentations, translating research findings into clear, actionable recommendations.
- Updated and maintained the CRM system to support proposal development and track key client and stakeholder contacts across multiple projects.

Marketing Assistant Intern

December 2024 – March 2025

Harris & Sloan - Sacramento, CA

- Designed and developed a user-friendly HR website using WordPress, optimizing for functionality and aesthetics.
- Conducted competitive analysis to identify industry trends and improve marketing strategies.
- Collaborated with cross-functional teams to implement SEO best practices, enhancing website visibility.

Marketing Coordinator Intern

June 2024 - December 2024

HMG Strategy - Westport, CT

- Designed and created marketing materials for LinkedIn, email campaigns, and the company website to enhance event promotion and online presence.
- Collaborated with C-suite executives and senior stakeholders to support high-level technology summits, coordinating marketing materials, registration logistics, and data operations to ensure successful event execution.
- Performed data cleaning and validation in Salesforce, ensuring 100% accuracy for over 10,000 customer and lead records.
- Managed the company's CRM system, overseeing contact segmentation, list management, A/B testing, and campaign tracking to support marketing and outreach efforts.

Social Media Coordinator

September 2023 – June 2024

Pristine Cleaners Orange County - Anaheim, CA

- Developed and executed Instagram marketing strategies focused on organic growth, content optimization, and community engagement.
- Monitored and analyzed performance metrics to assess campaign success and continuously refine digital strategies for stronger results.
- Engaged with audiences across TikTok, LinkedIn, Facebook, and Instagram by responding to comments, participating in trends, and tailoring content to fit each platform's tone and audience.

PROJECTS

Marketing Consultant

Bear In The Hall | Full-Service Creative Agency - New York, NY

- Conducted in-depth research to identify key competitors in the market, including direct and indirect competitors.
- Gathered data on competitors' products, pricing, marketing strategies, strengths, weaknesses, and market positioning through online reviews, market reports, and competitor websites.
