SUMMARY

Highly accurate and detail-oriented data entry professional with a strong background in computer education and office technology. Proficient in Microsoft Excel, Google Sheets, and digital file management, with a fast typing speed and a strong focus on data accuracy and confidentiality. In addition to core data entry skills, I am experienced with Python, Java, Selenium WebDriver, and Agile methodologies through hands-on QA projects. Reliable, organized, and committed to delivering quality work in remote environments.

SKILLS

- Fast and accurate typing
- Microsoft Excel
- Google Sheets, Google Docs
- Python and Java (basic to intermediate)
- Selenium WebDriver
- Jira, TestNG, Postman, Agile/Scrum methodologies
- Strong attention to detail and time management
- Ability to work independently and remotely
