OBJECTIVE

Aspiring analyst with a foundation in economics, statistics, and programming, eager to tackle complex data-driven challenges.

EDUCATION

University of Washington

Bachelor of Science in Economics

Seattle, WA

GPA: 3.76

Relevant Coursework:

Data Science for Economics (Python, 4.0), Computer Science 143 (Java, 3.9), Informatics 201 (R, 4.0), Topics in Financial Economics (3.8), Economic Game Theory (3.6), Investment Capital and Finance (3.5), Intermediate Microeconomics (4.0), Intermediate Macroeconomics (3.9), Advanced Microeconomics (3.7), Statistics (4.0), Calculus I–III, Financial Reporting (3.9), Managerial Accounting (4.0), Econometrics (3.9)

TECHNICAL SKILLS

Languages & Tools: Python (pandas, NumPy, Plotly), R, Java, SQL, Git, Excel

Concepts & Methods: Regression, Time Series, Probability, Game Theory, Statistical Modeling, Data Analysis

ANALYTICAL PROJECTS & EXPERIENCE

Housing Price Prediction Project

Python, Regression Analysis, Lasso, Polynomial Regression

- Analyzed and visualized real-world datasets (e.g., Zillow housing prices, GDP trends, interest rates) over time
- Built predictive models using Lasso and Polynomial Regression to forecast housing prices
- Benchmarked model performance across regions to evaluate predictive accuracy and identify variance trends

Inventory Automation & Reporting

Pan Pacific Electronics - Internal Tooling

- Designed and deployed Python scripts to automate quality metric reporting across departments
- Synched internal component inventory data with external databases to improve customer access and transparency
- Reduced manual reporting time and improved real-time order fulfillment efficiency

WORK EXPERIENCE

Pan Pacific Electronics

Redmond, WA

Operations Intern

March 2024 – August 2024

- Managed order processing and coordinated manufacturer timelines for component delivery
- Communicated with suppliers and customers to make procurement decisions under shifting constraints

RareTea

Kirkland, WA

Barista

July 2023 – January 2024

- Prepared and fulfilled custom orders accurately and efficiently in a fast-paced retail environment
- Maintained kitchen operations and cleanliness while multitasking under time constraints

Radiant Smiles

Kirkland, WA

Dental Assistant / Office Helper

January 2023 – March 2023

- Processed patient insurance claims and maintained accurate digital records
- Supported clinical procedures and ensured sanitation protocols for patient safety

Additional Experience

Various service and retail roles including AMC, Nordstrom, and Amazon PrimeNow

- Developed strong attention to detail, teamwork, and speed under high-pressure customer environments
