SUMMARY

Results-driven professional with over 10 years of experience delivering data-driven solutions for U.S. health insurance clients. Proficient in SQL, Salesforce, and RPA platforms (Blue Prism, UiPath, Automation Anywhere). Skilled in requirements gathering, business process mapping, and data analysis. Recognized by Accenture for innovation and client value creation. Ensures HIPAA compliance and leverages Agile methodologies for stakeholder collaboration. U.S. Coast Guard training enhances leadership in high-pressure environments. Eager to contribute to Synergie Systems as an Entry-Level Business Analyst.

EXPERIENCE

*Willis Towers Watson, **Business Support Assistant – CSR***

Sep 2024 - Jun 2025

- Expanded portfolio from 1 to 5 clients by gathering business requirements and ensuring HIPAA compliance, enhancing client base and service offerings.
- Improved service quality and client satisfaction metrics by analyzing client feedback and identifying process gaps, increasing client satisfaction rates by 15%.
- Optimized client workflows by managing Personally Identifiable Information (PII) data, resulting in streamlined operations and improved efficiency by 10%.

*Accenture, **IT and Sales Operations Analyst***

Aug 2014 - Sep 2024

- Managed Salesforce CRM databases, achieving 99.9% system uptime for 300+ RPA processes (Blue Prism, UiPath, Automation Anywhere) by using SQL and Microsoft Excel to develop business reports.
- Conducted requirements gathering and data analysis, reducing incident resolution time by 25% and license costs by 15%.
- Collaborated with stakeholders to design SOPs, mentoring 25 team members and increasing throughput by 18% while maintaining 95% SLA compliance.

*U.S. Coast Guard, **Trainee***

Jun 2025 - Jul 2025

Completed training in communication, discipline, and adaptability, strengthening leadership and stakeholder collaboration skills in high-pressure environments.
