Data Analyst with expertise in **Excel, Power BI, SQL, and automation**, blending 5+ years of **legal operations** and **HR analytics**. Proven record of analyzing large datasets (**10K-5M+ records**), building dashboards, and delivering insights that drive **staffing optimization, KPI compliance, and digital adoption**. Skilled at translating complex data into actionable strategies for executives, managers, and frontline staff.

EDUCATION

SPRINGBOARD SOFTWARE ENGINEERING CERTIFICATE

2025

9-month intensive course in Software Engineering methodologies and technologies with 1:1 industry mentor oversight

UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

2012 - 2017

Bachelor of Arts, Anthropology

- Collected and analyzed data using **Sas** and **R** for a federally funded research project

TECHNICAL SKILLS

- Analytics and Visualization: **Power BI, Excel, SQL, Access**
- Programming and Automation: **Python, PowerShell, JavaScript, MERN stack basics**
- Tools and Platforms: **ServiceNow, Jira, Snowflake**

PROFESSIONAL EXPERIENCE

FORSYTH COUNTY COURTHOUSE

Data Analyst (Deputy Clerk)

2024 - present

- Built **Power BI Dashboards** and **Excel models** analyzing thousands of case filings and events over multiple years to **optimize staffing** across departments
- Developed **KPI metrics** for Special Proceedings turnaround times; analysis identified compliance gaps and guided **staffing increases**
- Conducted **employee productivity audits** by correlating case events logged to active workload distribution, ensuring accountability
- Automated analysis of **document scanning compliance** using **PowerShell**, uncovering systemic gaps before a major **case management system rollout**
- Analyzed **phone call duration data** to identify training needs; implemented targeted coaching that **reduced average handle times**
- Created and delivered **PowerPoint reports** for elected officials and leadership to inform operational decisions
- Trained staff on new systems (VCAP, Odyssey) and statutory requirements, combining legal expertise with data-driven insights

FIDELITY

HR and Payroll Associate Services Specialist

2022 – 2024

- Analyzed large datasets (**10K-5M+ records**) in **Excel, Power BI, and Snowflake** to guide business decisions impacting tens of thousands of employees
- Built **Power BI dashboards** and **ServiceNow** reporting tools to track KPIs, digital adoption, and HR service efficiency
- Conducted employee feedback analysis that identified improvements to **Workday**, reducing Service Center interaction volume
- Partnered with HR leadership and project managers to deliver **data-driven recommendations** for enterprise initiatives
- Developed **virtual agent scripts** and automated workflows, enhancing self-service and reducing manual workload
- Managed project tracking in **Jira**, integrating ServiceNow knowledge articles to streamline HR operations

Customer Relationship Advocate

2021 - 2022

- Provided client support on **securities transactions** and **fund transfers**, holding **Series 7, 63, and SIE licenses**
- Built client relationships by translating complex financial concepts into accessible, actionable guidance

WAKE COUNTY COURTHOUSE

Assistant Clerk of Court/Team Lead

2020 – 2021

- Designed **Excel and Access models** to track estates caseloads, improving service level compliance and reducing backlogs
- Served as **subject matter expert** for estates and special proceedings, guiding development of the statewide **eCourts** system in collaboration with the NC Bar and external vendors
- Trained and mentored clerks on **statutes, compliance, and new digital tools**, improving accuracy and efficiency across the division
- Delivered statutory and case law research to support drafting and entry of court orders
- Audited estate accounts and filings for compliance with NC General Statutes, issuing corrective notices when necessary
- Analyzed filing trends and division performance to identify discrepancies and **streamline case processing**

Deputy Clerk of Court

2018 - 2020

- Coordinated with attorneys and the public to ensure accurate and timely filing of estate and special proceeding cases
- Cross-trained in special proceedings to expand division coverage and maintain workload balance

STARBUCKS

Shift Supervisor/Team Lead

2014 - 2020

- Managed shift operations, supervising staff, and monitoring KPIs like **labor hours, sales targets, and customer satisfaction scores**
- Trained and coached new team members in **compliance, cash handling, and food safety**; recognized with multiple **customer service awards**

Barista

2011 - 2014

- Delivered high-volume service in a fast-paced environment while maintaining quality and accuracy
