Summary

Experienced Web Developer adept in all stages of advanced web development. Bringing forth expertise in design, installation, testing, and maintenance of web systems. Proficient in an assortment of technologies, including C/C++, JavaScript, .NET, C#, React js, and Amazon Web Services.

Education

<u>Bachelor of Computer Science</u>	2019 - 2022
University of Idaho, Moscow, ID	

Projects

<u>Only Factories, Factory 4.0</u>	Web Developer 2 years experience	2021 - 2023
My award winning, cloud-based fullstack web application that communicates with a miniature factory.		

- Built an app that takes and stores orders, login with sales data, live camera feed of the factory.
- Structured RESTful API's and MQTT brokers to communicate to and from the factory.
- My project was a culmination of a 10-person team. The team consisted of 3 web developers as well as 7 robotics students using CI/CD, effective communication, and agile development.

Technologies: React, AWS Amplify, MySQL, Node js, Mosquitto, Amazon EC2, DevOps, CI/CD

Languages: JavaScript, CSS, HTML

<u>Personal Projects</u>	Software developer	2023 - Present
Various personal projects I have been working on since graduation found at: github.com/ParkerWW		

<u>Weather webapp</u>	Web Developer	Dec. 2024 - April 2025
My work in progress single page web app that shows information about the weather.		
You can visit this app at ParkerWW.github.io/Weather		

- Created this personal project that pulls the weather information from a weather API using jQuery
- Displays various information about the weather on a single webpage with a clear, appealing UI.

Technologies: React, Node.js, Vite, jQuery, git/Github, Github Pages

Language: JavaScript, CSS, HTML

Experience

Coding Languages: C, C++, JavaScript, C#, CSS, HTML 5, SQL, C#, Python and Bash.
Software developer 3 years experience.

Technologies: React js, .Net framework, MySQL, git, GitHub, Node js, Express, RESTful API, Amazon Web Services, Linux command line, Powershell, AWS Amplify, Amazon EC2, Excel/Google Sheet
