WORK EXPERIENCE

EF Explore America, Boston MA, *Strategic Resource Allocation Manager* December 2023 - Present

- Proposed, designed, and executed a \$60,000 on-call list of tour directors, providing same-day tour coverage while handling on-tour emergencies in collaboration with production and procurement specialists.
- Created dashboards using Excel, PowerBI, Tableau, SQL, Salesforce, Atlas, and Mercury to audit and integrate these programs, enhancing operational efficiency while supporting ad hoc financial analysis and correcting system and procedural errors.
- Contributed to record-breaking company performance during peak season by managing over 300 tour directors and boosting net performance score by 10%+ after joining a new team.
- Implemented an increased budget for surprise/delight initiatives for tour directors and provided on-site support by repositioning to different headquarters as needed, resulting in a 19% increase in 5-star ratings, now averaging 94% compared to 2024.
- Developed and managed automation tools for daily tasks, eliminating over 100 hours of repetitive work and significantly improving overall team productivity.
- Designed and implemented an AI chatbot to automate responses to repetitive team inquiries, reducing incoming questions by over 50% and establishing it as the primary information source on the company website for tour directors.
- Identified a workflow inefficiency and sourced a cost-effective third-party solution, securing buy-in and overseeing implementation— now used daily, saving an estimated 10+ hours per week across the team.
