EXPERIENCE

Shift Lead, Walgreens

- Manage store opening and closing operations. Counts safe in morning. Counts cash drawers daily along with balancing safe.
- Trains new staff. Trains current staff on new policies and equipment.
- Coordinates staff on daily operations to maximize efficiency.
- Clerical work.
- Handles customer service issues including complaints, recommendations, and customer ordering.

Modesto, CA November 2018 - Present

- In charge of photo department including supply management, order management, employee training, and equipment repair.
- Through on the job self discovery, learned why certain photos and files were not showing on apps and files. Also learned how to make better quality photos through certain photo techniques.
- Counts inventory regularly to prevent overstock and inadequate ordering. Individually trains and lectures employees why inventory accuracy is efficient for business.
- Wrote and organized store shoplifting reports. Organized the reports and created a folder compiling the reports, especially of repeat shoplifters. This

became extremely handy when one of our repeat shoplifters got arrested. Also helped police put multiple pieces together when catching a duo of shoplifters.

West Covina, CA November 2015 - November 2018

- Took charge of inventory management including inventory counts and call back items.
- Reduced store shrink by over 50% within a year.

Riverside, CA June 2007 - November 2015

- Data entry for invoices and bills
- Ordered items for up and coming sales. Due to the trend of extreme couponing, had to analyze past sales along with coupons featured online and in ads to forecast sales.

EDUCATION

California State University, Fullerton 24 units completed towards Masters of Business Administration August 2015 - December 2018

University of California, Riverside Bachelors of Science Statistics September 2003 - June 2007

VOLUNTEER

Relay For Life (American Cancer Society) Chino Fundraiser Yearly August 2015 - October 2022

- Helped raise money for ACS by crafting items and selling raffle tickets.
- Created fundraising campaigns.
- Used retail experience to scope out items for fundraising gift baskets.

Graves Middle School Music Program September 2013 - June 2017

- Ran the snack booth during concerts.
- Purchased food and drinks for the booth. Researched sales and local wholesalers to maximize profits.
- Analyzed past sales to determine what was needed for each concert.
- Trained volunteers to help.
