Education

Ph.D. (Candidate) Econometrics and Quantitative Economics , <i>University of Georgia</i>	Present
MSc. Economics , <i>TERI School of Advanced Studies, Delhi</i>	2016
B.A. Economics (Hons.) , <i>Delhi University</i>	2014

Field of Interest

Applied Econometrics, Public Policy, Labor, Gender, Well-being Economics, Social Behaviour, Health & Nutrition

Programming Skills

Programming	R, Python, Stata , MATLAB, SQL , E-Views, SPSS
Other Technology	Tableau, ArcGIS, NVivo , Excel, LaTeX, Qualtrics , Survey CTO, CSPRO , ODK
Skills	Regression & Machine Learning, Data Visualization, Web scrapping/APIs, Time Series, Data collection

Professional Experience Summary

Research analyst with 8+ years of experience in wide range of designs and causal inference approaches for analysing primary and secondary data. Involved in all stages of quantitative research from – designing questionnaires, managing large databases, and supervising data collection and field management in diverse settings to – expertise in data mining, cleaning and visualizations, as well as analysing datasets, and writing policy reports including peer-reviewed journal manuscripts. Trained and managed teams of up to 45 members in data collection, cleaning, and analysis.

Research Experience

Consultant , International Food Policy Research Institute (IFPRI) <i>Washington DC, USA</i>	Oct 2024 – Dec 2024
- Applied generalised linear modelling (GLM) to analyse time use and empowerment data, & developed food price models - Coordinated with multiple teams for data analysis & anchored 2 peer-reviewed journal manuscripts	
Research Assistant , University of Georgia (UGA) <i>Athens, USA</i>	Aug 2021 – Present
- Employed non-parametric estimation to evaluate causal impact of maternal part-time labor on mental health (JMP 1) - Evaluated a phone-based randomized control trial (RCT) in Ethiopia to increase male participation in house chores (JMP 2)	
Senior Research Analyst (previously Research Analyst) , IFPRI <i>Delhi, India</i>	Aug 2018 – Jul 2021
- Led data analysis on 2 large-scale projects to evaluate the impact of micro-credit programs on rural women & children - Designed survey & utilized statistical approaches like RCT, Difference-in-Difference, Matching Methods, Inverse probability - Supervised 45 member field teams from Oxford Policy Mgmt. to collect data (3000 households/project) in multiple states - Mentored 4 junior research analysts on data management, coding practices, capacity building and field operations - Collaborated on writing policy reports and 5 journal manuscripts assessing different economic outcomes	
Monitoring and Evaluation (M&E) Analyst , World Bank <i>Delhi, India</i>	Aug 2017 – Jul 2018
- Applied multivariable regression to evaluate job creation potential in rural micro-enterprises through non-farm employment - Supervised Nielsen survey team for data quality, audited 30 enumerators & monitored data collection (6000 households) - Conducted field trainings & collaborated with officials from government dept. for intervention implementation - Designed questionnaire, performed data cleaning and analysis, and produced project reports and policy notes	
Quantitative Consultant , Sutra Consulting <i>Delhi, India</i>	Mar 2017 – Aug 2017
Evaluated policy interventions using quantitative methods & conducted project management for business development	
Research Associate , Institute of Rural Management Anand (IRMA) <i>Gujarat, India</i>	Aug 2016 – Mar 2017
- Conducted impact evaluation of a large-scale livelihood mission for Gov. of India using quasi-experimental matching methods - Facilitated stakeholder communication, assisted in survey design, collected data (4500 households) & prepared policy report	
Data Science Trainee , Mywish Marketplaces <i>Delhi, India</i>	Jun 2016 – Jul 2016
Managed databases and analysed loan disbursement data using data visualization and machine learning methods	

Teaching Experience

Lab Instructor , <i>Agribusiness Finance, UGA</i>	Fall 2022
Teaching Assistant , <i>Applied International Development Economics, UGA</i>	Fall 2021
Instructor , <i>Stata Workshop, Delhi University</i>	Summer 2019
Lab Assistant , <i>Impact Evaluation Summer School, VK Policy Lab, IRMA, Gujarat</i>	Fall 2016
Project Advisor and Field Coordinator , <i>Delhi University</i>	Fall 2015
Teaching Volunteer , <i>Teach for India</i>	Fall 2014
