EDUCATION

University of North Carolina

Master of Science in Informatics and Analytics GPA:3.8/4.0

Greensboro, NC

2025

SRM University

Bachelor of Technology in Computer Science and Engineering

Chennai, IND

2018

EXPERIENCE

AI Data analyst

June 2025 – Present

University of North Carolina

Greensboro, NC

- Contributing to Advanced analytics, AI, visualization, and supply chain optimization projects within the Information Systems and Supply Chain Management department, driving insights and operational improvements.

Graduate Assistant

Jan 2024 – April 2025

University of North Carolina

Greensboro, NC

- Involved in designing R and Python courses for the MSIA bootcamp, contributing to a comprehensive curriculum in data analysis and machine learning. *(Tech Stack: Python, Pandas, scikit-learn, XGBoost, TensorFlow, PyTorch, LLMs, NLTK, Spark)*
- Experienced in machine learning, deep learning, neural networks, Computer vision, NLP, vector database, statistical modeling, and big data analysis, applying advanced analytics to derive actionable insights.

Tutor

Jan 2024 – May 2024

Middle College at UNCG

Greensboro, NC

- Results-driven math and statistics tutor, skilled in tailoring teaching methods to individual learning styles for effective academic support.

Marketing Data Scientist

May 2021 – June 2023

Squaredot Solutions

Chennai, IND

- Led the development of a company-wide marketing repository, ensuring data accuracy and visibility across teams. *(Tech Stack: Python, Airtable, MySQL)*
- Designed and led a new website by collaborating with copywriter, designer, and web development teams to create blogs, white papers, and other web content.
- Directly communicated with client marketing teams to devise strategies for GoogleAdwords, Hubspot, Facebook, and other social media campaigns. *(Tech Stack: Google Adwords, HubSpot, MYSQL)*
- Created internal tools using Streamlit and collaborated on system-level integration for campaign automation
- Created predictive models to optimize campaign performance and improve customer engagement metrics. *(Tech Stack: Python, Flask, scikit-learn)*

Digital Marketing Associate

May 2019 – May 2021

Squaredot Solutions

Chennai, IND

- Developed KPI dashboards to monitor campaign success, providing actionable insights to clients.
- Conducted data mining and analysis to identify trends and enhance lead generation strategies during early marketing funnel stages. *(Tech Stack: Python, Power BI, Flask, React, MYSQL)*

Network Associate

Dec 2018 – Apr 2019

Network Geek

Chennai, IND

- Cisco Certified Network Associate Certification Concepts and Lab training including Subnetting, Routing Protocols, and Virtual LANs.
- Led the transition to a microservices architecture, enhancing application scalability and deployment speed by leveraging Docker and Kubernetes and AWS.
- Experienced in containerization and orchestration using Docker and Kubernetes, ensuring scalable and resilient applications.

TECHNICAL SKILLS

Programming & Web Development: Python, Java, R, Swift, C/C++, MATLAB, HTML, CSS, Flask, Javascript, SQL, MySQL, SQLite.

Data & AI and Cloud Technologies: Tableau, PowerBI, SAP, Hadoop, SAS, Salesforce, MLOps, Steamlit, AWS, Azure, Snowflake, Databricks, Docker, Kubernetes, EKS, ELB, S3, Helm, Nginx, Skaffold, Jenkins, Prometheus, Grafana, and cloud resource management, GenAI, LLMs, Langchain, RAG, CV, Hugging Face, Semantic Search, Vector Databases (Pinecone, Milvus, FAISS), prompt engineering, and transformer fine-tuning.

Software & Design Tools: Git, Linux, Adobe Photoshop, Adobe PageMaker, CorelDRAW, Jira, Confluence, Canva, MS Office.

Network & Security TCP/IP, network programmability, BGP, OSPF, RIP, PPPoE, QoS, Cisco IOS, Wireshark, network security.

RELEVANT COURSEWORKS

Predictive analytics, Statistical modeling, Bayesian statistics, Data and web mining, Machine learning, Artificial Intelligence in Healthcare, Data visualization, Neural networks, Deep learning, Data structures and algorithm design, Computer vision, Artificial intelligence and expert systems, Object oriented Programming, Marketing management, Supply chain optimization, Project and Product management.

CERTIFICATIONS PUBLICATIONS

- Cisco Certified Network Associate (CCNA) Certification.
- Data or Specimens Only Research CITI Program Certification.
- Conflicts of Interest CITI Program Certification.
