| LinkedIn: www.linkedin.com/in/willie-bell-3325b0290

OBJECTIVE

Motivated Information Science student with a concentration in Information Security and hands-on experience in Python, Java, Linux, and virtualization. Strong interest in cybersecurity and software development, with proven teamwork, communication, and problem-solving skills. Seeking an internship to apply technical coursework and expand industry experience. Expected graduation: December 2025.

EDUCATION

University of South Florida (USF) — Tampa, FL
Bachelor of Science, Information Science — Information Security Concentration
GPA: 3.14 | Expected Graduation: Dec 2025
• Dean's List: Spring 2022

Hillsborough Community College — Ruskin, FL
Aug 2021 – Jul 2023
Completed foundational coursework in Computer Science & Information Science

CERTIFICATIONS & TRAINING

- Cisco Academy: Computer Systems Technology
- Coursework: Python Programming, Object-Oriented Programming (Java), Ethical Hacking

TECHNICAL SKILLS

Languages: Python, Java, SQL
Security: Virtualization (VirtualBox), Ethical Hacking concepts, Windows client security
Systems: Linux (RHEL), Windows OS

Tools: GitHub, VirtualBox, Microsoft Word/PowerPoint/Excel

Interests: Cybersecurity, Application Development

TECHNICAL PROJECTS

Python Card Trick Simulation — School Project

- Developed Python program replicating a multi-step card prediction trick
- Applied functions, randomization, and modular design to build reusable logic
- Improved program reliability through repeated testing scenarios

Tools: Python

Java Calculator Application — School Project

- Designed a Java console-based calculator that performs arithmetic operations
- Utilized object-oriented programming (OOP) principles to structure calculator logic
- Implemented input validation and error handling to improve usability

Tools: Java

WORK EXPERIENCE

DashMart — Operations Associate | 2024 – 2025

- Performed data entry and reconciled product records to maintain accurate inventory
- Provided customer assistance and resolved issues in fast-paced environment
- Collaborated with team members to streamline receiving and fulfillment
- Maintained organized storage to improve product accessibility and fulfillment speed

Publix — Grocery Clerk | 2020 – 2023

- Assisted customers by locating products and providing service recommendations
- Resolved inquiries and concerns in real-time to ensure positive shopping experiences
- Managed stock organization and freshness checks to ensure floor readiness
- Developed strong communication and teamwork skills working in a service-driven environment

NAPA Auto Parts — Stockroom Associate | 2025 – Present

- Managed stock inventory and kept organized to improve product accessibility and fulfillment speed
- Loaded and unloaded trucks with product to ensure accurate delivery.

- Developed strong communication and teamwork skills working in a service-driven environment
- Performed data entry for stock and order fulfillment to ensure the accuracy of our product being stocked,

SOFT SKILLS

Teamwork • Problem-Solving • Communication • Customer Service • Adaptability
