SUMMARY

Healthcare administration professional with 5+ years of experience driving patient satisfaction, operational efficiency, and compliance in clinical settings. Master's-level training in health systems leadership, with a proven ability to optimize workflows, manage cross-functional teams, and deliver measurable improvements in care delivery.

WORK EXPERIENCE

Northwell Health

July 2024 - Present

Administrative Support Assistant

New York City, NY

- Manage 50+ daily patient communications while maintaining exceptional service standards, directly improving patient satisfaction and care continuity.
- Reduced administrative processing time by 25% by optimizing intake systems (Phreesia, AthenaPlus).
- Enforced HIPAA compliance across all patient interactions, establishing rigorous data protocols that ensured zero privacy violations.
- Developed quality improvement metrics to track service delivery, identify inefficiencies, and implement targeted solutions which improved departmental performance.
- Trained and mentored new administrative staff by improving onboarding efficiency and ensuring consistent adherence to patient service protocols.

Cooper University Health Care

Nov. 2022 - July 2024

Patient Service Representative

Egg Harbor, NJ

- Transformed patient experience through targeted service improvements, achieving 95% satisfaction scores and driving a 20% increase in positive feedback.
- Optimized appointment scheduling and EHR processes, improving daily patient throughput and coordination.
- Led cross-departmental collaboration initiatives that improved care coordination by 20%, working directly with clinical teams to achieve 95% positive patient outcomes across multiple specialties.
- Implemented patient feedback initiatives by identifying service gaps and driving improvements that enhanced overall patient experience.

Atlantic County Vascular Institute (ACVI)

May 2022 - Aug. 2022

Administrative Intern

Mays Landing, NJ

- Negotiated vendor contract modifications that delivered improved terms and cost savings, which demonstrated analytical skills in healthcare procurement and resource management.
- Conducted comprehensive patient flow analysis that identified bottlenecks and implemented process improvements, resulting in 10% efficiency gains across procedural operations.
- Supported executive leadership in managing facility infrastructure projects, including mission-critical HVAC replacement that ensured uninterrupted surgical center operations.

AtlantiCare

Oct. 2019 - Aug. 2020

Physical Therapy Aide

Pomona, NJ

- Enhanced team performance through a collaborative approach to patient care, contributing to a 20% improvement in team effectiveness while supporting key rehabilitation initiatives.
- Maintained full compliance record with patient privacy standards, developing systematic approaches to confidential information management that created secure care environments.
- Collaborated with clinical staff to refine treatment protocols based on patient feedback and outcome observations, directly contributing to improved rehabilitation success rates.
