SUMMARY

Detail-oriented **Operations & Data Analyst** with 1.6 years of hands-on experience in **federal healthcare systems**. Known for designing **automated dashboards**, improving operational workflows, and presenting insights to **executive leaders** for national-level reporting. Skilled in **Excel VBA, Power BI (DAX/M Code), SQL**, and **Tableau**. Demonstrated ability to manage medical inventories, build internal SharePoint hubs, and coordinate **enterprise-wide morale and event programs**. Seeks to bring clarity, efficiency, and heart to remote analytics/operations roles.

CORE COMPETENCIES

- **Business Intelligence:** Power BI (DAX, M Code), Tableau, Excel VBA
 - **Database & Automation:** SQL, Python, Data Cleaning, Dashboarding
 - **Federal Tools:** VATAS, AcuStaf, CDW, VistA, Pyramid, CPRS, GUI
 - **Operations & Systems:** 2237s, IFCAP, SharePoint, Inventory & EIL Tracking
 - **Reporting & KPIs:** TMS, Attendance, AES Survey, Post-COVID Trends
 - **Stakeholder Communication:** ELT Presentations, Onboarding, Training
 - **Project Coordination:** Grand Openings, Whole Health, Morale Events
-

PROFESSIONAL EXPERIENCE

Northern Arizona VA Healthcare — *Program Support Assistant (Operations & Data Analyst)*
Dec 2023 – Present · Prescott, AZ

Data & Reporting - Developed **automated dashboards** in Power BI and Excel to track staff leave, clinic KPIs, and compliance. - Created **dashboards used by clinical teams** and ELT for data-driven decisions. - Presented visuals to **Executive Leadership Team** for national reporting, representing 4 departments in the service line. - Outlined **steady post-COVID increases in patient encounters**, supporting national recovery initiatives.

Systems & Operations - Maintained supply/equipment orders, created EIL tracking and 2237 forms. - Built a SharePoint website consolidating service line docs and AES survey data. - Supported new clinic development (e.g., chronic pain team scheduling and structure).

Cross-Departmental Support - Coordinated with hospital CEO for program launch events. - Led birthday, retirement, and appreciation campaigns across departments. - Created kindness posters, fliers, and morale-building content for staff.

Training & Communication - Onboarded and mentored PSAs, delivered TMS support, and resolved minor tech issues. - Provided **emotional and directional support** across hospital for staff and patients.

U-Haul — *Incident Management Specialist*

Apr 2022 – Apr 2023 · Remote - Managed 500+ incident tickets with 95%+ resolution rate. - Streamlined internal workflows and data reports.

Thinkful / Chegg Inc. — *Data Analyst Trainee*

Mar 2023 – Jul 2023 · Remote - Built data models and ran analysis using Excel, SQL, Tableau & Python. - Projects:

- *Lariat Rent-A-Car*: 20% forecasted profit increase from revenue growth model.
- *Spotify Trends*: Statistical significance between track popularity, duration, and tempo.

Self-Employed — *Music Teacher & Business Owner*

Oct 2015 – Jan 2019 · Phoenix, AZ - Increased student enrollment 15% via email and social media campaigns. - Used performance data to revise lesson strategies.

Qkids Academy — *Online English Teacher*

Jan 2018 – May 2018 · Remote - Delivered engaging lessons through online classroom tools and games.

Child Care Careers — *Teaching Assistant / Piano Instructor*

Oct 2016 – Aug 2017 · Maricopa County, AZ

EDUCATION

Thinkful — Certificate in Data Analytics · 07/2023

Yavapai College — Associate in General Education (In Progress) · Expected 2025

PROJECT HIGHLIGHTS

- **ELT Dashboard Presentations** — Built performance dashboards used for national-level reporting.
- **Post-COVID Encounter Trends** — Modeled and reported gradual growth in patient encounters.
- **AES Survey Optimization** — Designed SharePoint portal for morale tracking and results visualization.
- **Clinic Build-Outs** — Supported scheduling and systems coordination for chronic pain team.

- **Whole Health Events** — Coordinated staff-led programs across hospital campus.
-
