

DEBRA L. GOLDMAN

(919) 637-9292

DebraGoldmanNC@gmail.com

Professional offering experience in corporate sales, business development, staffing, purchasing and procurement, marketing and communications, training, coaching, education, municipal management, project management, retail, and food services. Proven track record of creating, implementing and supporting special programs, working successfully with customers, stakeholders, team members and management at all levels. Tenacious and persistent in achieving organizational initiatives and objectives to scale growth and to increase employee retention, engagement and satisfaction. Able to translate vision and strategy into clear, actionable goals, and to design and operationalize end to end supporting processes.

Utilizes creative and critical thinking to drive a culture of diversity, engagement and inclusion. Enjoy the opportunity to celebrate the successes of others and the team. Able to mobilize people into action and develop ideas that will excite and motivate them! Experience with national and international affiliates.

Seeking an opportunity that will capitalize and expand upon my accumulated abilities.

PROFESSIONAL EXPERIENCE

2022-2023, Marketing, Sales, and Customer Service, Learning Innovations, Inc./MC3

Calling prospective leads to further determine their level of interest for Franchise development, providing information, and setting appointments.

Responding to calls from Directors and clients from across North America and Canada; recognizing and addressing the appropriate seasonal details required for over 500 individual Mathnasium franchises. I strive to answer any questions, sell programs and schedule assessments, trials and consults on our company-wide, shared calendars. I keep Center Directors and clients up to date with each change to their calendar and clientele. Every detail must be accurate, and any detail may make or break a deal.

2021-Present, Teacher Booknook (Contract Position)

Teaching reading skills to students in grades K-12. Contract positions throughout the USA, teaching remotely to individual, small groups, and full classes of students, in both public and private sector schools.

2020- Present, Teacher VIPKid (Contract Position)

Contract positions, with a focus on reading, while teaching English as a second language to students based in China. Primarily elementary and middle grades, but now including adults.

2013-2019 Executive Director, DCR Foundation

Responsible for programming, website design, outreach, fundraising, educational seminars, promotion of legislative changes to improve stroke education and awareness, grant application, board appointments and professional endorsements.

1989-Present, Self Employed

- Sourcing and purchasing for all endeavors requiring sales, merchandise, and supplies from the US, India, Guam, Mexico, Europe and China.
- Social media upfitting, updating and patrolling as part of a daily routine to be first and up front in each chosen stream.
- Motivational, education and professional training
- Private language arts instruction for elementary and middle school students.
- Public speaking and training of groups from 1 to 9000
- Business consulting and management with emphasis on marketing design and strategy aimed at growth
- Broadcast news, radio and television for Temple University and Penn State University stations. Anchor, DJ, story writing, editing, printing, promotion and fundraising (telethon and direct sales).
- Created campaign, and designed all materials in several successful political campaigns (garnered two million votes in North Carolina)
- Boots on the ground technique for exciting and motivating both volunteers and paid employees
- Created web-based strategy including strong social media presence.
- Candidate for Wake County Board of Education (won)
- Candidate for the office of NC State Auditor (won primary consisting of five candidates)
- Presented to groups from a few to several thousand
- Independent entrepreneurial endeavors including manufacturer's representation for multiple lines of merchandise, sales, marketing, business development, consulting,
- Logo and advertising planning and design for small businesses and nonprofits. Fundraising efforts successfully raised hundreds of thousands of dollars.
- Marketing plan including web/social/mobile media design and implementation for businesses locally and internationally

2009-2013, Board of Education, Wake County Public School System, NC

Two term Vice Chair, Responsible for approval of \$2 billion budget for the 13th largest school system in America. Serving over 18,000 employees and 175,000 students. Chair of Policy and

Superintendent Search Committees, Vice Chair of Finance, Communication, and Public Relations Committees. This was a very public position involving a grand amount of citizen interaction and feedback. I held a large media presence and spoke regularly on camera, with reporters and broadcast journalists from television, radio and print media in the Raleigh, NC area and nationally. Held monthly town hall meetings to provide information and make feedback from the community easier. Created and promoted several pilot programs within District 9 regarding healthy student initiatives, modeling and growth. Worked with the Director of HR to create the PRIDE program to motivate and encourage staff system wide, and to honor and celebrate the success of every employee. Worked closely with Transportation Dept, board members, community members, and other stakeholders to develop assignment plans that would solve district wide issues. Successfully updated policy for the district, served on the judicial panel for student and staff grievance and disciplinary hearings. Chaired Search for a successful new Superintendent. Hosted personal town hall meetings for gathering public opinion from constituents.

Earlier Experience:

Business Development Manager, Relevante', Inc (Relocated to Raleigh)

Directly responsible for development and acquisition of key Fortune 500 accounts in the Philadelphia tri-state area. Dealt directly with C-level employees to determine needs and placements for both temporary and permanent placements. Sales function and business development for staffing augmentation in the fields of finance, accounting and IT. Designed marketing materials and strategy, working with our team in India. Worked with CRM to track and delegate accounts and opportunities. Relevante' earned the award as one of the fastest growing companies in the tri-state region during this time.

Executive Director of Staffing, Personnel Services, Inc.

Responsible for all aspects of placement and supervision of staff. I recruited and interviewed all candidates, directly handled all hiring and dismissal of employees. Successful placements in both temporary and permanent positions. Created and performed Business Development model with new alignment for growth. All coordination of benefits, recruitment, job offerings, payroll, billing, worker's compensation, unemployment benefits and gross margin, business development and marketing programs. Updated filing and client tracking systems to comply with INS and Patriot Act guidelines. Updated CRM programs. Designed branding strategy and specialty advertising campaigns, which achieved great success. Tripled the number of billable hours for division through implementation of developmental strategies.

Buyer, The May Company, Pittsburgh, PA

- Provided direct support to District Manager buying Misses Rainwear and Outerwear

- Worked in concert with CEO/President of Kaufmann's Department Stores to promote effective strategies and determine gross margin and predictions for growth, ROI
- Aligned distribution of merchandise across 12 locations in 5 states.
- Managed office staff, sales, distribution, and stock employees
- Managed and marketing and advertising plans for the department in local media
- Managed and maintained all vendor relationships.
- Initiated and collaborated with all advertising plans directly with the Advertising Department
