■ umer.farooq1004@gmail.com | ■ +971 55 221 2335

Professional Summary

Detail-oriented Medical Billing & AR Specialist (Fresher) with strong foundational knowledge of the US healthcare revenue cycle. Trained in medical billing, claims submission, AR follow-ups, payment posting, and denial management. Brings excellent communication, documentation, and follow-up skills developed through extensive client-facing experience. Seeking a remote medical billing or AR role with a US or UAE healthcare organization.

Core Skills

Medical Billing (CMS-1500 / UB-04), Accounts Receivable (AR) Follow-ups, Insurance Verification & Eligibility, Claims Submission & Reprocessing, Denial Analysis & Resolution, Payment Posting (ERA / EOB), Patient vs Insurance Responsibility, ICD-10 & CPT (Basic), US Insurance Portals (Aetna, Cigna), HIPAA Basics, Strong Documentation & Follow-ups

Medical Billing & AR Training

- End-to-end US medical billing and revenue cycle workflow
- Preparation and review of CMS-1500 and UB-04 claims
- Working on AR aging and unpaid claims
- Insurance follow-ups using portals and call workflows
- Analysis of ERAs and EOBs for denials and underpayments
- Documentation of actions, agent names, and next follow-up dates

Professional Experience

Sales & Client Relationship Experience – UAE

Managed client communication, follow-ups, and issue resolution. Maintained accurate records, worked with targets and deadlines, and developed strong negotiation and persuasion skills transferable to AR follow-ups and denial handling.

Tools & Systems

Insurance Web Portals, Practice Management System (Basic Exposure), MS Excel, Google Sheets, Email & Remote Communication Tools

Availability
