Volunteer WORK

- ❖ **Preschool Board Member**
Contributed to strategic decisions and program development, ensuring quality early childhood education.
- ❖ **Girl Scout Leader**
Mentored young girls through leadership-building activities, badge work, and community engagement.
- ❖ **Children & Adult Ministries Volunteer**
Supported faith-based programs by organizing events, leading group discussions, and fostering spiritual growth for participants of all ages.
- ❖ **Community Support Organizer**
Initiated and coordinated donation drives; collected and distributed essential goods to families and individuals in need.
- ❖ **Facility Support Volunteer**
Maintained clean, organized, and functional spaces to ensure a safe and welcoming environment for community programs.
- ❖ **Event Planning Volunteer**
Assisted with logistics, scheduling, and execution of events to support church, school, and local community functions.
- ❖ **Communication Liaison**
Used strong interpersonal skills to keep volunteers and staff informed, engaged, and aligned with program goals.
- ❖ **Volunteer Coordinator**
Managed volunteer teams for various service projects, aligning people with roles based on their strengths and availability.

Key Interests & Personal Snapshot:

- **Faith & Family First** – My relationship with God and my family are the cornerstones of my life.

- **Music Lover** – I'm passionate about music, and I'm proud to say my favorite artist even knows me by name.
- **Creative Cook** – Whether it's experimenting in the kitchen or preparing meals from scratch, cooking for families in need, cooking brings me joy.
- **Homesteading Life** – I live on a small, nearly self-sustaining homestead with a lively mix of dogs, cats, chickens, gardens and fruit trees.
- **Avid Reader** – I enjoy diving into novels and biographies in my downtime.
- **Dr. Pepper Devotee** – Some people are into coffee; I'm a loyal Dr. Pepper fan—yes, it's *that* serious.
- **Health & Self-Acceptance** – I live with an endocrine disorder that no amount of surgery or strict dieting can “solve.” I have done the work, lived the journey, and embraced who I am: active, mostly healthy for my age, short, and plus-sized—and okay with that.
- **Transitioning to a new career**
I have truly enjoyed special education teacher for 26 years, I am now ready to move on and experience new things for my own growth. The pandemic changed teaching and the illnesses it brought into my classroom.
