AWARDS

National Honors Society

March 2019

Certified in Microsoft

Powerpoint and Excel

December 2017

Innovation Challenge -

Honorable Mention

April 2024

Security System — *Embedded Systems*

Used Arduino IDE to create a miniature security system in C.

Consisted of a keypad, LCD display, buzzer, servo motor, and LED lights.

House Hunting — *Modern Databases*

With Java used MongoDB and Neo4j to create a user interface.

User can filter features to get list of houses or receive recommendation of neighborhood with estimated price.
