QA Engineer

As a QA Engineer who comes from a background in education, I possess an eye for detail developed through crafting and evaluating educational materials, coupled with a rigorous approach to testing methodologies. With 5 years of experience fostering learning environments and empowering diverse learners, I excel in breaking down complex concepts and processes into clear, actionable steps.

Technical Skills

Test Planning | Test Documentation | Manual Testing | API Testing | UI Testing | Mobile Testing | Android Studio | Regression Testing | Debugging | Agile | JIRA | Postman | SQL | JavaScript | WebDriverIO | JSON | Figma | Node.js | DevTools | GitHub | Git Automation Testing

QA Technical Projects

Urban Grocer Web App

Skills: API Testing, Debugging, JSON, Postman, Node.js, JavaScript, GitHub

- Tested the API of Urban Grocers app and created valid API bug report
- Designed tests for APIs using test design techniques "boundary values" and "equivalence classes" Sent JSON and XML requests to API using Postman
- Composed a SOAP request according to the API documentation

Urban Routes Web App

Skills: Test Planning and Design, Debugging, Figma

- Tested the frontend of the web app and issued bug reports
- Compared layouts in Figma to ensure accurate testing
- Designed positive and negative tests and found defects in common interface elements

Urban Lunch Mobile App

Skills: Android Studio, Mobile Emulator, Mobile Testing

- Developed & implemented a comprehensive mobile testing strategy utilizing Android Studio and device emulators
- Identified and resolved critical defects by collecting and analyzing logs from mobile emulators

Professional Experience

Elementary Teacher, Harmony Public Schools, Carrollton, TX

08/22 - Present

- Accomplished developing and implementing engaging lessons tailored for a diverse range of learning styles evidenced by a 20% increase in student achievement on district testing. Achieved by conducting and analyzing weekly assessments and developing teaching strategies based on current educational research.
- Accomplished fostering a nurturing learning environment, evidenced by a 60% reduction in student behavior referrals and an increase in student's attendance which resulted in receiving the Attendance Award Family Picnic twice. Achieved through weekly contact with families, implementing an effective in-class point system, and empowering students with greater autonomy in their learning experiences.

Art Teacher, Dallas Independent School District, Dallas, TX

08/20 - 07/22

- Accomplished refining and developing an art curriculum that sparked creativity and cultural appreciation among students, evidenced by a 20% increase in student participation in school art exhibitions. Achieved through the integration of diverse art techniques and cultural influences into lessons and fostering a supportive classroom environment that encouraged experimentation.
- Accomplished establishing and leading a school culture committee to develop an inclusive school environment. Evidenced by a 40% increase in student engagement in school events and a noticeable improvement in peer relationship. Achieved through facilitated discussions on school culture, encouraged collaboration on student-led initiatives and supported the committee in implementing their ideas.

Education

QA Engineering Certificate, TripleTen

2024

Bachelor of Science in Media Arts and Science, IUPUI, Indianapolis, IN

08/13 - 05/17
