Objective

As a Business Analyst with a strong background in research, I consistently deliver high-quality results through exceptional attention to detail. I bring strong presentation and facilitation skills that enhance collaboration and understanding across teams. I am eager to advance my career in a leadership role where I can leverage my expertise to drive process improvements, foster efficiency, and contribute to the continued success of your organization.

Professional Experience

- | | | |
|---|---------------------------------|----------------------|
| Florida Blue | Business Analyst | Aug 2022- Current |
| <ul style="list-style-type: none">As a Business Analyst for the BLU department at Florida Blue, I am responsible for auditing the company's various insurance plans to ensure accuracy and compliance. With a strong attention to detail, I verify that cost shares are correctly aligned with each corresponding plan package | | |
| Florida Blue | FEP Claims Examiner | Aug 2016 – Aug 2022 |
| <ul style="list-style-type: none">As a Claims Examiner, I leveraged multiple platforms—such as Diamond, Claims Repository, Content Central, and Care Connect—to thoroughly examine both Institutional and Professional claims. I supported the Claims Dedication Team and the Federal Employee Program by ensuring all claims were processed accurately and in accordance with organizational and federal guidelines. | | |
| IRS | Customer Service Representative | Nov 2015 - Jun 2016 |
| <ul style="list-style-type: none">As an IRS Customer Service Representative, I provided accurate and timely information to taxpayers regarding the status of refunds and balance due amounts, managing inquiries across more than 100 accounts while ensuring compliance with federal guidelines and maintaining a high level of customer satisfaction. | | |
| Citi | Fraud Analyst | Sept 2014 - Nov 2015 |
| <ul style="list-style-type: none">As a Fraud Analyst, I investigated and reviewed Macy's and American Express credit card accounts to detect and prevent fraudulent activity. | | |
| AT&T | Quality Assurance Specialist | Jan 1993 – Jan 1997 |
| <ul style="list-style-type: none">Supervised and evaluated employee calls to ensure adherence to AT&T's quality standards and professional communication guidelines. Provided constructive coaching and actionable feedback to enhance team performance while recognizing and rewarding employees who demonstrated exceptional service quality. Maintained detailed tracking of monitoring sessions, dates, and performance metrics using Excel to support performance management and continuous improvement. | | |
